published or revised since the 1989 edition of the Tenth Mental Measurements Yearbook. The Supplement provides timely access to reviews of recently available tests. It also includes a helpful indexing system that integrates referencing across Buros Institute publications. Indexes of titles, classified subjects, names, and scores, as well as a publisher's directory and index, are included. The Yearbook includes detailed descriptive information and reviews for each test and extensive references on specific tests. The tests are listed in alphabetical order for easy reference. The biennial publication schedule for Yearbooks and Supplements began in 1988 with the Supplement to the Ninth Mental Measurements Yearbook. The publication of the Supplement to the Tenth Mental Measurements Yearbook continues this publication schedule which facilitates timely access to test evaluation information and better meets the needs of test consumers. The Mental Measurements Yearbooks are widely regarded as an essential reference for users and developers of tests. Each Yearbook contains reviews of commercially available tests published or revised since the previous Yearbook. The Buros Institute of Mental Measurements, founded in 1938 by the late Oscar Krisen Buros, is located in the Department of Educational Psychology at the University of Nebraska.
