to more than 200 exercises, via app and online □ NEW to this edition: native-speaker recordings of hundreds of model sentences and key verb conjugations

A best-selling modern masterpiece in the author's home country of Egypt, *Taxi* consists of fifty-eight fictional monologues with Cairo taxi drivers that have been recreated from the author's own experience, taking the reader on a roller-coaster of emotions as bumpy and noisy as the city's potholed and chaotic streets. Described as an urban sociology, an ethnography, a classic of oral history - and a work of poetry in motion - it tells Herculean tales of the struggle for survival and dignity among Greater Cairo's 80,000 cab drivers.

Get up and running with *French Easy French Step-by-Step* proves that a solid grounding in grammar basics is the key to mastering a second language. You are quickly introduced to grammatical rules and concepts in order of importance, which you can build on as you progress through the book. You will also learn more than 300 verbs, chosen by their frequency of use. Numerous exercises and engaging readings help you quickly build your speaking and comprehension prowess.

Taking authentic texts from a variety of sources - the human body on CD-ROM, a fish recipe, 'L'Etranger' and many others - this book uses them as a starting point for the illustration and explanation of key areas of French grammar. It includes a range of exercises, many of them text-based.

Prix Goncourt Winner: A [superb] novel of a Syrian immigrant in France and his two sons (The New York Times Book Review). *Older Brother* is the poignant story of a Franco-Syrian family whose father and two sons try to integrate themselves into a society that doesn't offer them many opportunities. The father, an atheist

# Where To Download Taxi French Workbook

communist who moved from Syria to France for his studies and stayed for love, has worked for decades driving a taxi to support his family. The eldest son is a driver for an app-based car service, which comically puts him at odds with his father, whose very livelihood is threatened by this new generation of disruptors. The younger son, shy and serious, works as a nurse in a French hospital. Jaded by the regular rejections he encounters in French society, he decides to join a Muslim humanitarian organization to help wounded civilians in the war in Syria. But when he stops sending news home, the silence begins to eat away at his father and brother, who wonder what his real motivations were. And when the younger brother returns home, he has changed . . .

□A masterpiece of a first novel.□ ?The Guardian □A striking debut that reveals the breadth of emotional disconnection that prejudice can stoke within a family.□ ?Kirkus Reviews

Whether or not you've ever hailed a cab on Broadway, *Taxi!* provides a fascinating perspective on New York's most colorful emissaries.

The French literary master's work depicting young Fabrizio's struggles to keep his love for Clelia a secret in the small court of Parma.

\* This book is the journal of French filmmaker Benoit Cohen's pursuit of his "American dream" by becoming a New York taxi driver French filmmaker Benoit Cohen decided, while doing research for the screenplay of his new movie, to become a taxi driver. After passing his license, he spent several months roaming the five Boroughs behind the wheel of a yellow cab that he rented every morning from a garage in Queens. This book is the journal of his extraordinary adventure - the story of the pursuit of his "American dream." The book also includes Cohen's "on-/off-duty" activities of eating at New York's most famous restaurants and

# Where To Download Taxi French Workbook

eateries. A directory of those are included in the back.

The basis for the major motion picture *The Extraordinary Journey of the Fakir* A charmingly exuberant comic debut, *The Extraordinary Journey of the Fakir Who Got Trapped in an Ikea Wardrobe* is the globetrotting story of a trickster from rural India and his adventure of a lifetime. When the fakir—a professional con artist—arrives in Paris, he has just one goal: to get to Ikea. Armed with only a counterfeit hundred-euro note in the pocket of his silk trousers, he is confident that he has all he needs to thrive. But his plan goes horribly awry when he hides inside a wardrobe at the iconic Swedish retailer—the first in a series of accidents that will send him on a whirlwind tour across Europe. Pursued across the continent by a swindled taxi driver dead set on revenge, our fakir soon finds unlikely friends—from movie stars to illegal immigrants—in even unlikelier places. And, much to his own surprise, his heart begins to open to those around him as he comes to understand the universal desire to seek a better life in an often dangerous world. Channeling the manic energy of the Marx Brothers and the biting social commentary of *Candide*, Romain Puértolas has crafted an unforgettable comic romp around Europe that is propelled by laughter, love, and, ultimately, redemption. (Meatballs not included but highly recommended.)
