I have shared with you actual and specific steps I have taken in my years of doing collection work that have worked well for me. I have found that when making collection calls and dealing with excuses, you must be firm, tread lightly, have compassion and treat the account carefully. Treat the account (not the customer) like a child who needs your guidance and help to get this paid. This has worked very well for me and I have successfully collected more money than other collectors based on following these steps.
