The industry's longest-running publication for baseball analysts and fantasy leaguers, Ron Shandler's *Baseball Forecaster*, published annually since 1986, is the first book to approach prognostication by breaking performance down into its component parts. Rather than predicting batting average, for instance, this resource looks at the elements of skill that make up any given batter's ability to distinguish between balls and strikes, his propensity to make contact with the ball, and what happens when he makes contact—reverse engineering those skills back into batting average. The result is an unparalleled forecast of baseball abilities and trends for the upcoming season and beyond.

Major league baseball has a long, rich history in Brooklyn. From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season, the Dodgers and their predecessors were the emotional center of the borough's diverse population. But Brooklyn would be without a professional team until June of 2001, when the Cyclones took the field in Coney Island as the Mets' affiliate for the New York-Penn League. This work follows the rookie-level club from its formation through its first season. Brooklyn Dodgers Carl Erskine, Duke Snider, Clem Labine, Johnny Podres, Ralph Branca, Joe Pignatano and Clyde King comment on their own minor league days, and their days in Brooklyn. Also included are interviews of Cyclones players and fans of both teams.

The college baseball season doesn't end when the school year is finished. Many of the top NCAA Division I, II, and III baseball players continue to play in one of the game's most unique environments, the summer wood bat leagues. They swap aluminum bats for wood and play from June through August in more than forty states. The poetry of America's pastime persists as soon-to-be stars such as Gordon Beckham, Buster Posey, and Aaron Judge crash in spare bedrooms and play for free on city and college ball fields. Summer Baseball Nation chronicles a season in America's summer collegiate baseball leagues. From the Cape to Alaska and a lot of places in between, Will Geoghegan tells the stories of a summer: eighteen of the best college players in the country playing Wiffle ball on Cape Cod, the Midnight Sun Game in Alaska, a California legend picking up another win, home runs flying into Lake Michigan, and the namesake of an old Minor League club packing the same charming ballpark. At every stop, players chase dreams while players and fans alike savor the moment.
