Parenting Fiction, Domestic Thrillers ... - Suzy K Quinn

Because it's written in a diary format, there are inevitable comparisons with Bridget Jones, but I found Juliette a much more likeable character than Bridget, and I got caught up in her story. So much so that I wanted to shout at her when it looked like she might be giving into Nick!!

Why Mummy Drinks meets Bridget Jones. The first in the bestselling comedy series. Juliette is a new mother, but life isn't going the way she'd hoped. She doesn't live in a cottage with roses around the door. She doesn't own a rolling pin. And Daisy's out-of-work actor father still hasn't proposed. While Juliette sobs her way through sleepless nights and nappy changes, Nick drinks Guinness and plays computer games. Meanwhile, his helicopter mother is always on hand to find fault--with Juliette. At least when Nick pops the question, things will look up...won't they? With a supporting cast including Juliette's over-honest mother, potty-mouthed grandmother, militant hippy best friend, and handsome-but-scarred hotel magnate Alex Dalton, the first in Suzy K Quinn's hilarious, bestselling Bad Mother series is a sassy, uplifting, addictive treat.

BOOK EXTRACT Friday January 1st New Year's Day Back at Mum and Dad's after HUGE row with Nick.Am FURIOUS.Asked him to look after Daisy while I went to the supermarket (when I take her along, I get distracted by the 2-for-1s and buy random things, like jam-filled wagon wheels).Got home to find Nick playing computer games, with TEN empty bottles of original Guinness beside him.TEN BOTTLES! In TWO hours!I went mental.'I've got a high tolerance for alcohol,' he slurred. 'If I were drunk, I'd never have cracked this part of Assassin's Creed.'I demanded he walk in a straight line, and he fell over.As I was screaming at him, Nick's mum let herself into the apartment.She saw Nick on the floor and said, 'Do sit up straight, darling.' Then she asked what all the fuss was about.I said Nick was getting pissed when he was supposed to be looking after Daisy.'Oh Nick,' said Helen. 'But Juliette, he has been working all day. He's obviously stressed.'Working! All Nick's done today is read a two-page script for an online poker commercial.'If I ever need relationship advice from a divorcee,' I told Helen, 'I'll let you know.'Then I screamed at Nick at bit more, threw a bag together and said I was taking Daisy to my parent's house.I would have made a strong, dignified woman exit, except I had to come back for Daisy's pink waffle blanket, Teddy Snuggles, blackout curtain with suckers, spare nappies and finally her Lullaby Light Bear. Motherhood can be the toughest – and funniest – job you ’ ll ever have. Raising kids is hard work, but humor can make the journey a little easier - even if you just have to laugh to keep from crying. In *The Motherhood Diaries 2*, National Bestselling Author, ReShonda Tate Billingsley, uses personal anecdotes from her zoo - formerly known as a family - to show how humor helps her navigate the minefield of motherhood. This laugh-out-loud read portrays the truths about motherhood that we are either too ashamed or too proud to admit. Through heartwarming and hilarious tales of motherhood, ReShonda and other mothers share their joys, pains, and everything in between. From Tia McCollors, who shows you how to pull life lessons from embarrassing moments; to Gina Johnson, whose circus puts Ringling Brothers to shame; to Janoah White, who learned to let laughter help her deal with a son who has autism; to Denise Leora Madre ’ s hilarious story on how motherhood shattered her naiveté - there ’ s something relatable for mothers from all walks of life. Then, stories from mothers like

A man slowly falling into madness intends to not go fully mad because he doesn ' t want to go to an asylum. So he writes. A couple of pages every day. These are the pages he has written before failing. In them, he talks about anything and everything. Sometimes lucid, sometimes incomprehensible, but always thought-provoking.

I used to imagine our new family life as a romantic film montage... the three of us rolling around on the rug together, laughing, or pushing a buggy around the park with my perfect hair flowing in the wind. Spoiler alert: it is not like this. For a start, we never lie on the rug together because it's covered in crumbs from the slice of toast I have been trying to eat since breakfast... Jenny has too much on her plate: literally - she's only expecting one child but she's eating for at least three. Not to mention trying to juggle her nightmare boss, a know-it-all sister, and an infuriatingly laid-back husband. She used to be known for her 'Single Girl About Town' column. But when her boss gives her job to a younger colleague, Jenny panics and proposes she blogs instead about being a clueless new mum. Surely people will find her new friendship group fascinating? (Even if the only thing they seem to have in common is that they all had sex around the same time 9 months ago...) And if her readers aren't quite hooked yet, maybe Jenny will just have to be more liberal with the truth. After all, none of the other mums will read it... will they? The Undercover Mother is a hilarious parenting page-turner that will make you laugh, cry and want to crack open the gin. Perfect for fans of Why Mummy Drinks and The Bad Mother's Diary.

Maria, 5 stars The laugh-out-loud new comedy about family relationships from the ebook bestseller! Meet Emma, the new Mum on the block. Since moving to the Liverpoolian seaside after her husband's career change, her life consists of the following: long walks on the beach (with the dog), early nights (with the kids) and Netflix (no chill). Bored and lonely, when Emma is cordially invited to the exclusive cool school-mums' book club, she thinks her luck may finally be about to change. But she soon finds the women of the club aren't quite what they seem - and after an unfortunate incident involving red wine and a white carpet, she finds herself unceremoniously kicked out. Rhyming couplets describe a wide range of common emotions and activities experienced by a little girl who uses a wheelchair.

BAD MOTHER RULE #1: NEVER, EVER, DO WHAT I DID! For seventeen-year-old Charlotte Cooper, it 's too late. Despite her best efforts to finish school, tune out her angry, slightly hysterical mother, and cope with her loving but dotty grandmother, she is unexpectedly (now that 's an understatement) pregnant. And don ' t even mention the jerk who knocked her up.

Charlotte ' s mother, Karen, is trying to convince herself that there are worse things than becoming a grandmother at thirty-three. For instance, there ' s wanting to kill Charlotte for the mess she ' s made of her life. Between struggling to pay the bills and halfheartedly filling out questionnaires on Internet dating sites, Karen uncovers a scandalous family secret involving her own birth, and then falls back into bed with her sexy ex-husband. So much for perfect timing. In the meantime, Karen ' s mother, Nan, is having a wee bit of trouble with names (sometimes her own). But that doesn ' t keep her from retaining a few things she ' d rather forget. Of course, Nan knows that everything will work out fine for Charlotte and the baby—these things usually do. Now, if only she could put the pieces of her own fragmented memory together, she might have an interesting tale or two to share. In this wickedly funny, disarmingly moving novel, three generations of mothers learn that it ' s the simplest mistakes that can change your life forever. With wit and wisdom, Kate Long proves that there are as many kinds of mothers as there are daughters, but the love that binds them all is what truly matters.
