Beginners Guide To Putting - Golf Monthly

Beginner golf clubs tend to have larger club faces, have a shorter shaft (the long bit between grip and club head) and are designed to make it easier to get the ball in the air. Beginner golf clubs are a bit more forgiving if your swing and contact isn't quite right, which is very common when you start out.

Provides an in-depth explanation of the game of golf, including basic information of putting greens, golf clubs, and instruction on improving

Read Book The Beginners Guide To Golf

one's golf swing.

This liberally illustrated, easy-to-read manual will familiarize beginner golfers with many facets of golf, beyond the golf swing. In the forward, Arnold Palmer explains why the game of golf has never been work, but always play for him. Chapters include: Golf...The Game, The History of an Ancient Game, How to Get Started, Learning the Golf Swing, What You Should Know About a Golf Course (an explanation of golf course design), How golf courses operate, Equipment - How & What to Buy, How to Play Safely, Courteously & Quickly (as well as speed of play), The Rules of the Game (and proper golf etiquette), The Handicap & Slope Systems, Other Things You should Know, Games Golfers Play, The Language of Golf (golf terminology), The Joy is in the Experience & a Listing of Golf Schools.

With this program you WILL groove a professional swing plane in 3 easy steps, helping you to hit the ball longer, straighter and more consistently. How to grip the club to groove a draw ball flight fast. How to position your front foot to encourage a draw instead of a slice. The distance you need to stand from the ball to help encourage a draw. The total setup needed to almost guarantee a draw ball flight. The best drills to help you approach the ball from the inside. The best drills to help you contact the ball with a slightly closed clubface so you'll hit a powerful, professional looking draw. How to check your equipment to make sure it encourages a draw instead of a slice. Plus much, much more!

Golf rules and etiquette are two of the most intimidating aspects of the game for newcomers to the sport. They're also two of the most important things beginning players need to learn. The rules are numerous and sometimes quite complex, and the official USGA rule book offers little help with its legalese and one-size-fits-all approach. As for etiquette, golf is unique in the extent to which all players, regardless of experience, are expected to demonstrate an understanding of etiquette as soon as they start to play. The Pocket Idiot's Guide to Golf Rules and Etiquette offers relief from the intimidation new golfers might otherwise feel. From dressing properly and loading up the golf bag through putting the final ball on the 18th green, author Jim Corbett (nationally recognized as "Mr. Golf Etiquette") covers all the do's and don'ts, and even lets readers know which rules are safe to bend when playing with friends.

Andrew's Essential Guide to Beginners Golf is an impressive step-by-step guide on the basics of how to play golf, a few rules, course etiquette, what equipment to buy, and how to score. A beginner will very quickly learn how to get the ball moving forward to an adequate level of distance and accuracy, even if they've never held a golf club. Consistent golf is all about setting up correctly to hit the ball and understanding how the swing works. To simplify instructions, the book dispenses with jargon and uses illustrative drawings to show basic techniques to practice. The reader will learn how to hold a golf club, the correct posture, the half and full swing, basic rules and etiquette, how to score, the function of a handicap, and more.

The professional golfer provides tips on the grip, stance, and swing of successful golf shots

Read Book The Beginners Guide To Golf

Famous author Mark Twain once wrote, "Golf is a good walk wasted." Many people feel this way. After all, what's so fun and interesting about hitting a little white ball with a metal stick trying to get it in a little hole? However, the truth is there is fun to be had on the golf course as is evidenced by the millions of golf enthusiasts all over the world. One of the great things about golf is that it is more than a physical sport. Your mental state can play a huge part in your golf game. If you hit a bad shot, it can really affect your next stroke and so on and so forth. It's important to realize that if golf were less challenging, it wouldn't be nearly as much fun. I'm not a golf pro, but I do love the game of golf. I've always wanted to improve my golf game, so this book will help both you and me. I decided that researching what the pros have to say would be a great way to put their advice to good use. Compiling all of that information into this book would also be a great way to share that advice. Let's look at different aspects of the game of golf and find some easy ways to improve our scores!

No more surprises. No more blow-ups. The ultimate golf primer with the proven basics you need to play the game the way it should be played. Whether you're new to the game, frustrated with your ability to score or simply in the market for a refresher on the tried-and-true mechanics that make hitting the ball fun and easy, GOLF Magazine's Big Book of Basics is all you need. Covering everything there is to know about your setup, swing, mental outlook and even how to be a better playing partner or more accomplished competitor, The Big Book of Basics leaves no lesson unturned, providing the knowledge you need to take your game to a whole new level or simply start out on the right foot. Written by GOLF Magazine's Top 100 Teachers in America-the most elite team of instruction experts in the nation-and presented using rich photography and step-by-step illustrations, The Big Book of Basics answers all of your golf questions by focusing on the base needs all golfers must own to hit straighter drives, better irons and putts that always find the bottom of the cup. In addition to improving any golfer's swing, it's designed as easy-to-understand primer for new players and high-handicaps. GOLF Magazine's Big Book of Basics offers Top 100 Teacher-approved ways to enjoy the game more and have a better golf experience by explaining key rules, codes of etiquette and equipment issues. Simple, quick and effective-getting back to basics with this book will be the best investment you make in your game.
