The Sparkle Box was that way! On Christmas morning it was a joy to open the box and see the gifts we had given Jesus. Last year, the church provided a copy of The Sparkle Box to every family in our church - we want it to become a favorite family/church Christmas tradition." | Greg Nettle Stadia ...

One year has passed since Phoebe skipped a rock across a pond, accidentally hit a unicorn in the face, and was granted a single wish!which she used to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. In some ways, not much has changed. At school Phoebe still clashes with her rival--and sometimes !frenemy!--he ever-taunting and imperious Dakota. Outside of school, she still fills her free time with extra-credit homework assignments, dramatic monologues about the injustices associated with school cliques, and imaginative conspiracy theories regarding global forces like the !powerful construction paper lobby. But unlike before, Phoebe now has a best friend to share it with!someone to make her laugh and to listen to all her extravagant ideas. In this second volume of Dana Simpson's Phoebe and Her Unicorn series, titled, Unicorn on a Roll, the reader is invited on a journey into the lives of Phoebe and Marigold as they navigate the difficulties of grade school, celebrate the winter holidays, and explore their super hero/super villain personas together. Join in the fun, as Phoebe competes against Dakota for the leading role of !Lisa Ladybug! in their fourth-grade play!or as she struggles to !manage! the PR debacle related to her nose-picking-scandal. (!I will neither confirm nor deny the events surrounding Boogergate.!) Witness a band of unicorns staging an !intervention! and learn all the details of Marigold's secret crush on a mysterious creature she has never seen. Perhaps most important, watch as this surprising friendship between a charming, nine-year-old dreamer and a vain, mythical beast forever changes both of them for the better.

School's out! That means no more teachers, no more books, and lots of time to compliment Marigold Heavenly Nostrils on her good looks. In this third volume, Phoebe and her obligational best friend, Marigold, learn that summer still has plenty of surprises for the both of them. All of our old friends are back!Phoebe's part-time !frenemy! Dakota, upon whom Marigold has bestowed sentient hair, Phoebe's goofy parents, and even Lord Splendid Humility (but please, ignore his magnificence if you can)! Have fun as Phoebe and Marigold continue the !Phoebegold Detective Agency,! spend a week at Wolfgang Music Camp, and find themselves in more misadventures, thanks to Marigold's enchanted sparkles! Along the way, Phoebe makes some new friends, such as Sue!her unique clarinet-playing bunkmate, Florence Unfortunate Nostrils, Marigold's estranged sister, and Camp Wolfgang's lake monster who enjoys tacos and Wi-Fi. When school resumes, read along as Phoebe enjoys (or suffers from) a brief case of popularity, mentally catalogs her grievances against dodge ball, and, with Marigold's help, rescues Dakota and her hair from the queen of the goblins. Through these wacky adventures, Phoebe and Marigold learn that their friendship is the second most magical thing of all, after Marigold's beauty, of course. Includes an introduction by Cory Doctorow and his daughter Poesy!

Dana Simpson's Phoebe and Her Unicorn is back with more sparkles than ever! In this fourth volume, join in the adventure as Phoebe and Marigold confront messy rooms, trouble at school, and a nasty case of !Sparkle Fever.! Follow the pair back to Camp Wolfgang, where their old pals Sue (a.k.a. !Monster Girl!) and Ringo, the lake creature, remind them that being weird is WAY more fun than being normal.

With over 1.6 million copies sold, the Phoebe and Her Unicorn book series for middle-grade readers is an immensely popular and magical world of unicorns, adventure, and friendship. Marigold Heavenly Nostrils is one magical unicorn!and she knows it! But sometimes it's harder for humans like Phoebe to understand that they can be magical, too. In the latest Phoebe and Her Unicorn adventure, the pair visits the science museum, tests out an extra-special virtual unicorn reality, and performs in the school talent show. With the help of her best friend and an emergency sparkle transfusion, Phoebe learns about confidence, empathy, and resilience!and even how to live without her cellphone. It's all part of the very real excitement of Virtual Unicorn Experience.

This special edition of the bestselling series includes all of the comics and bonus materials from Phoebe and Her Unicorn and Unicorn on a Roll. With over 1.6 million copies sold, the Phoebe and Her Unicorn book series for middle-grade readers is an immensely popular and magical word of unicorns, adventure, and friendship. What could be more magical than having a unicorn as a best friend? For nine-year-old Phoebe Howell, it all started while she was skipping rocks across a pond and accidentally hit a dazzling but self-absorbed unicorn named Marigold Heavenly Nostrils. Together, the unlikely BFFs discover a world full of magical mysteries and adventure, taking on everything from cruel classmates to candy-breathing dragons. These beautifully drawn comics show that even when life isn't all rainbows and glitter, every day is magical with your best friend.

Life is never boring when your best friend is a unicorn! The latest installment in this bestselling series is full of mischief, magic and adventure | as well as an important reminder to always stay true to yourself. School's out, so Phoebe and her unicorn best friend, Marigold Heavenly Nostrils, have the entire summer to play games, visit the pool, and even go camping. Unicorn horns are excellent utensils for roasting things over the campfire, too, even if Marigold prefers toasted apples to s'mores. While exploring in the woods, Phoebe and friends meet a unicorn named Alabaster, who uses a special video game console that's powered by plants. Throughout her summer adventures, Phoebe learns that being cool isn't all it's cracked up to be, and that it's much better to be your true self. It's all part of the unforgettable experience of Camping with Unicorns.

Book seven in the Phoebe and Her Unicorn series! NEW YORK TIMES BESTSELLING AUTHOR! Marigold Heavenly Nostrils is no ordinary unicorn. She has Wi-Fi-enabled appendages. She's the most enchanted babysitter of all time. She's published numerous scholarly articles on the !shimmering! versus !glimmering! debate. She is, in short, a unicorn of many hats. Phoebe and her exceptional hooved pal are back in this all-new collection of comics! Laugh alongside the lovable duo as they question the idea of !coolness,! gain a deeper appreciation for the power of friendship, and put off summer reading assignments for as long as physically possible.

Phoebe and Marigold decide to investigate a powerful storm that is wreaking havoc with the electricity in their town. The adults think it's just winter weather, but Phoebe and Marigold soon discover that all is not what it seems to be, and that the storm may have a magical cause. To solve the case, they team up with Max, who is desperate for the electricity to return so he can play video games, and frenemy Dakota, who is aided by her goblin minions. Together, they must get to the bottom of the mystery and save the town from the magic storm.

The second Phoebe and Her Unicorn graphic novel! Summer is here, and Phoebe and Marigold are headed to drama camp. Phoebe's expecting some quality time with her best friend, but in a surprise twist, Marigold has invited her sister, Florence Unfortunate Nostrils! While the unicorn sisters head to camp in a magical rainbow pod, Phoebe is stuck riding with her parents in their boring car, wondering where it all went wrong. But at Camp Thespis, there are more daunting tasks at hand: writing, producing, and acting in an entirely original play! The second Phoebe and Her Unicorn graphic novel is a sparkly tale of sisterhood and summer fun, as well as a reminder that sometimes it takes a bit of drama to recognize true friendship.
