New York, NY (Top40 Charts) Colt Sterk - 5th December 2020 - Eagle, ID - has released a new original track inspired by his late Grandfather, James Sterk. Colt Sterk is a graduate from the US Military Academy at West Point and a US Army Blackhawk Pilot but previously was able to spend a semester at the US Air Force Academy.

Autobiography of early 19th century leader of the Sauk and Fox Indians. Describes tribal customs, traditions, Indian wars, more.

The Midwest has produced a robust literary heritage. Its authors have won half of the nation ' s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes. This volume explores the rich racial, ethnic, and cultural diversity of the region. It also contains entries on 35 pivotal Midwestern literary works, literary genres, literary, cultural, historical, and social movements, state and city literatures, literary journals and magazines, as well as entries on science fiction, film, comic strips, graphic novels, and environmental writing. Prepared by a team of scholars, this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest ' s continuing cultural vitality and the stature and distinctiveness of its literature.

A stirring retelling of the Black Hawk War that brings into dramatic focus the forces struggling for control over the American frontier Until 1822, when John Jacob Aster swallowed up the fur trade and the trading posts of the upper Mississippi were closed, the 6,000-strong Sauk Nation occupied one of North America's largest and most prosperous Indian settlements. Its spacious longhouse lodges and council-house squares, supported by hundreds of acres of planted fields, were the envy of white Americans who had already begun to encroach upon the rich Indian land that served as the center of the Sauk's spiritual world. When the inevitable conflicts between natives and white squatters turned violent, Black Hawk's Sauks were forced into exile, banished forever from the east side of the Mississippi River. Longing for what their culture had been, Black Hawk and his followers, including 700 warriors, rose up in a rage in the spring of 1832, and defiantly crossed the Mississippi from Iowa to Illinois in order to reclaim their ancestral home. Though the war lasted only three months, no other violent encounter between white America and native peoples embodies so clearly the essence of the Republic's inner conflict between its belief in freedom and human rights and its insatiable appetite for new territory. Kerry A. Trask gives new and vivid life to the heroic efforts of Black Hawk and his men, illuminating the tragic history of frontier America through the eyes of those who were cast aside in the pursuit of the new nation's manifest destiny.

Brought together by a shared love of music, reunited through political action, Bob Weitzel and Steve Hazell were in and out of each others lives until Weitzel's final challenge, his solo kayak journey on Lake Superior. The kindred path is--the story of a remarkable 22-year friendship; the Green Apple Folk Music Society; reflections on 17 years of performing folk music; a participant's view of the 2011 rallies at the Wisconsin State Capitol; Weitzel's ill-fated quest on Lake Superior, based on the journal he kept during the voyage; the author's odyssey of discovery to find closure with the death of a friend. Above all else, The kindred path is a tribute to Bob Weitzel, an accomplished man who had a habit of changing lives.
