thought. He waddled over to where the boy parked his bike, climbed on and began to ride. At first he rode slowly and he wobbled a lot, but it was fun! Duck rode past Cow and waved to her. "Hello, Cow!" said Duck. "Moo," said Cow. But what she thought was, "A duck on a bike? That's the silliest thing I've ever seen!" And so Duck rides past sheep, horse, and all the other barnyard animals. Suddenly, a group of kids ride by on their bikes and run into the farmhouse, leaving the bikes outside. Now ALL the animals can ride bikes, just like Duck!

continents and sailing over the oceans, his ride took four years to complete, on a tiny budget of hoarded student loans. Here is the story of the first remarkable stage of the expedition. Just two weeks into the ride the September 11th attacks changed everything. All Humphreys' plans went out the window and, instead of riding towards Australia, he suddenly found himself pedaling through the Middle East and Africa and on toward Cape Town. This book recounts an epic journey that succeeded through Humphreys' trust in the kindness of strangers, at a time where the interactions of our global community are more

confused and troubled than ever.

Alastair Humphreys spent four years traveling around the world on his bicycle, a journey that covered 46,000 miles and five continents. During his trip he gave motivational talks and received thousands of emails to his website in which people asked what kept him going through the low-points on his journey. Collected here are the sources of Alastair's inspiration, including affirming quotes, insights, and unique photographs. As this inspirational resource shows, the lessons he learned while on the
