He has recently started running around with his buddies and partying. He hardly has time for me anymore.</p>
<p>Dan Savage 's mother wants him to get married. His boyfriend, Terry, says "no thanks " because he doesn 't want to act like a straight person. Their six-year-old son DJ says his two dads aren 't " allowed " to get married, but that he 'd like to come to the reception and eat cake. Throw into the mix Dan 's straight siblings, whose varied choices form a microcosm of how Americans are approaching marriage these days, and you get a rollicking family memoir that will have everyone—gay or straight, right or left, single or married—howling with laughter and rethinking their notions of marriage and all it entails.</p>
<p>Many voices are calling for the church to offer words of support and counsel to individuals and families who are working to maintain a stable home life and marriage. The 16 chapters of this book are intended to help pastors and lay leaders address these issues and to lead people toward a more mature understanding of the Christian faith with respect to love, marriage and family.This book will be useful to pastors who wish to present a sermon series on home and family. It will also be a helpful resource for couples and adult classes and study groups. Each chapter includes a prayer and questions for discussion and contemplation.</p>
<p>" Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted. " —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The Meaning of Marriage offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life.</p> <p>In this book, Adam Hamilton explores how, with God 's help, we can make love last. Drawing upon a survey of thousands of couples and singles, interviews with relationship and marriage therapists, the latest research in the field, and wisdom from the Bible, Hamilton looks at what it takes to create and sustain healthy, meaningful romantic relationships across the course of a lifetime. Contents include: More Than a Piece of Paper What She Wants, What He Wants The Significance of Sexual Intimacy Habits That Hurt, Habits That Heal Clothe, Bear With, and Forgive A Love That Lasts a Lifetime</p> <p>I need my space. We need to slow down. I 'm just not ready to settle down yet. Single women have heard all these excuses and more from the men in their lives. And with a growing number of people choosing not to marry at all, women who do want to get married are increasingly frustrated by men who, in the end, refuse to make that commitment. In this book, women will learn: how men really view commitment; what factors influence their decision to commit; the difference between cold feet and an intractable single-forever stance; which men are most likely to go the distance; strategies to persuade commitment-phobic men to take the chance on love and marriage; and more. With this book, women looking for commitment from their men can push them off the fence - and into the wedding chapel. Or, if they 're found wanting, simply cut them loose with that other famous line: Maybe we should see other people.</p> <p>When a Woman Is in an Emotional Tug-of-War for Her Man's Heart Why can't he commit? Many women find themselves asking this question when in love with a man who won't get married, won't stop womanizing, or refuses to give up his sex addictions. Often this kind of man is bound by an unhealthy attachment to his mother. This phenomenon is called "mother-son enmeshment." In When He's Married to Mom, clinical psychologist and renowned intimacy expert Dr. Kenneth M. Adams goes beyond the stereotypes of momma's boys and meddling mothers to explain how mother-son enmeshment affects everyone: the mother, the son, and the woman who loves him. In his twenty-five years of practice, Dr. Adams has successfully treated hundreds of enmeshed men and shares their stories in this informative guide. He provides proven methods to make things better, including: -- Guidelines to help women create fulfilling relationships with mother-enmeshed men -- Tools to help mother-enmeshed men have healthy and successful dating experiences leading to serious relationships and marriage -- Strategies to help parents avoid enmeshing their children When He's Married to Mom provides practical and compassionate advice to the women who are involved with mother-enmeshed men, to the mothers who wish to set them free, and to the men themselves.</p> <p>"Committed gives women a rare insight into what the other half really thinks."-Candace Bushnell In these original essays, seventeen celebrated authors give a private tour of the male psyche and discuss the journey to lasting love. Exploring aspects of themselves that they've never revealed before, they provide essential wisdom for men and women alike on the ritual of mating, and a look inside the hearts and minds of men who commit. Chris Knutsen is the Deputy Editor at Radar magazine. David Kuhn is the founder of Kuhn Projects, a literary agency in New York City. "For women frustrated by their husbands or boyfriends, or by the plethora of guides that claim to decipher the male psyche, this anthology offers a fresh perspective."-Publishers Weekly "Funny, sometimes even profound, these authors offer an amusing road map to that strange and winding road from bachelorhood to marriage."-Tampa Tribune</p> <p>In the beginning, marriage doesn't seem as though it should be all that difficult. But it doesn't take long for trouble to seep in and for bad habits to become entrenched. Before long, many married couples may be wondering when the "worse" part ends and the "better" part starts. Pastor and author Kevin A. Thompson has good news for couples: the "better" part is always within reach when they practice eight specific commitments to each other. These commitments have the power to solve almost any problem a marriage faces, and to prevent new ones from occurring. With biblical insights and engaging personal stories, Thompson shows couples how to see their marriage as bigger than themselves, avoid both apathy and aggression, release the desire for power, make and maintain peace, endure difficult times, and more. Perfect for newlyweds and for married couples at any stage of life, Happily is the gateway to a more loving, more joy-filled marriage.</p>
