The May 1, 1967 strip appears twice, the second time in place of the May 3, 1967 strip. So it is for now The Virtually Complete Peanuts. The publisher informed me that Having read the biography I was more even more eager to get my hands on the latest volume in this wonderful project (volume nine of a projected twenty-five, all handsomely designed and produced).

Snoopy looms large, so this volume (a particularly Snoopy-heavy one) sees him arm-wrestling Lucy as the "Masked Marvel" and then taking off for Petaluma for the national arm-wrestling championship; impersonating a vulture and a "Cheshire Beagle"; enjoying golf and hockey; attempting a jaunt to France for an ice-skating championship; running for office on the "Paw" ticket; being traded to Peppermint Patty's baseball team, then un-traded and installed as team manager by a guilt-ridden Charlie Brown; as well as dealing with the return of his original owner, Lila. If you're surprised by that last one, imagine how Charlie Brown feels...

Collects all the "Peanuts" comic strips published from 1967 to 1968 in newspapers, including both daily and Sunday strips.

This paperback edition of the newspaper strip introduces Franklin, and Snoopy's original owner, Lila, returns: with an intro by John Waters.

This first volume, covering the first two and a quarter years of the strip, will be of particular fascination toPeanuts aficionados worldwide: Although there have been literally hundreds of Peanuts books published, many of the strips from the series' first two or three years have never been collected before?in large part because they showed a young Schulz working out the kinks in his new strip and include some characterizations and designs that are quite different from the cast we're all familiar with. (Among other things, three major cast members?Schroeder, Lucy, and Linus?initially show up as infants and only "grow" into their final "mature" selves as the months go by. Even Snoopy debuts as a puppy!) Thus **The Complete Peanuts** offers a unique chance to see a master of the art form refine his skills and solidify his universe, day by day, week by week, month by month.

The sixth complete Peanuts comic strip collection.

Peanuts is the most popular comic strip in the history of the world. Its characters -- Charlie Brown, Snoopy, Lucy, Linus, Schroeder, and so many more -- have become dearly loved icons for generation after generation. Now Charles Schulz's classic, Peanuts, will be reprinted in its entirety for the first time. In these beautifully produced editions, the strip will be presented in full in chronological order. They will be the ultimate books for Peanuts' fans the world over. These first volumes will be of particular fascination to Peanuts aficionados. Many of the strips from the series' first two or three years have never been collected before, in large part because they showed a young Schulz working out the kinks in his new strip. They include some characterizations and designs that are quite different from the cast we all know. And Snoopy debuts as a puppy!

As the first decade of Peanuts closes, it seems only fitting to bid farewell to that halcyon decade with a cover starring Patty, one of the original three Peanuts. Major new additions to classic Peanuts lore come fast and furious here. Snoopy begins to take up residence atop his doghouse, and his repertoire of impressions increases exponentially. Lucy sets up her booth and offers her first five-cent psychiatric counsel. (Her advice to a forlorn Charlie Brown: "Get over it.") For the very first time, Linus spends all night in the pumpkin patch on his lonely vigil for the Great Pumpkin (although he laments that he was a victim of "false doctrine," he's back 12 months later). Linus also gets into repeated, and visually explosive, scuffles with a blanket-stealing Snoopy, suffers the first depredations of his blanket-hating grandmother, and falls in love with his new teacher Miss Othmar. Even more importantly, several years after the last addition to the cast ("Pig-Pen"), Charlie Brown's sister Sally makes her appearance?first as an (off-panel) brand new baby for Charlie to gush over, then as a toddler and eventually a real, talking, thinking cast member. (By the end of this volume, she'll already start developing her crush on Linus.) All this, and one of the most famous Peanuts strips ever: "Happiness is a warm puppy." Almost one hundred of the 731 strips collected in this volume (including many Sundays) have never been collected in any book since their original release, with one hundred more having been collected only once in relatively obscure and now impossible-to-find books; in other words, close to one quarter of the strips have never been seen by anyone but the most avid Peanuts completists.

Vol. 9 of the newspaper strip introduces Franklin and Snoopy's original owner, Lila, returns; in Vol. 10, Peppermint Patty runs afoul of her school's dress code, Lucy declares herself a "New Feminist," and Snoopy returns to the Daisy Hill Puppy Farm on a speaking engagement!

During his fifty-year career, ninety-nine percent of Charles Schulz's creative energies went into the dailyPeanuts comic strip. But once in a while he would create a special something else on the side, and this adorable little package collects two of his best "extras" from the 1960s: two Christmas-themed stories written and drawn for national magazines. Created in 1963 (two years before the Charlie Brown Christmas TV special) as a supplement for Good Housekeeping magazine, "Charlie Brown's Christmas Stocking" comprises 15 original captioned vignettes featuring the entire Peanuts cast of the time ? Charlie Brown, Snoopy, Lucy, Linus, Schroeder, Frieda, Violet, Shermey, and Sally ? each with a joke or reflection about the season. "The Christmas Story" is an original tale created for Woman's Day in 1968, this one focusing just on Snoopy and the Van Pelt siblings, with Lucy and Linus each explaining the meaning of the holiday to Snoopy. "I'm going to have to be careful," Snoopy reflects at the end of the story, resting on his doghouse next to his bone-decorated tree: "All this theology could ruin my Christmas." The book also includes notes on the provenance of the stories and a pocket-sized biography of Schulz.

Collects all the "Peanuts" comic strips as originally published in newspapers, including both daily and Sunday strips.
