Gordon uses the extended metaphor of a bus you are driving to make his points, hence the title. When you apply the 10 rules, you'll find more happiness, more success, better performance, inspired teamwork, and significant results. We are all members of a team, and the 10 simple, powerful rules shared by Gordon can benefit any member of the team, whether it's our work team, school team, sports team, family, or religious group.

We are overstressed, overworked and overtired — and things aren't getting any easier. The days are getting shorter while our to-do lists are getting longer. The pace of life gets faster and the demands increase. We attempt to fight back with caffeinated drinks and candy bars hoping to get it all done before we crash. This is false energy...but Jon Gordon gives us the real thing. Gordon encourages us to become Energy Addicts using a few or all of the simple, effective physical, mental, and spiritual strategies in this book, including: Eat early and well, hydrate, exercise, nap, connect with nature Neutralize energy vampires, master the flow of money, embrace the energy of silence Connect (with others and yourself), lead with your heart, learn to love and challenge life Practical, common-sense, sometimes counterintuitive, Jon Gordon shows how we can become addicted to positive energy and habits, making small changes in our lives that will produce big results.
