The Forgotten Soldier (Part 1 of 3): He wasn't a soldier ...
The Forgotten Soldier, originally published in French as Le soldat oublié, is an account by Guy Sajer of his experiences as a German soldier on the Eastern Front during World War II. With reference to the author's ambiguous relationship to war, the book has been called "the account of a disastrous love affair with war and with the army that, of all modern armies, most loved war", being written with the "admiration of a semi-outsider". The English edition was translated by Lily Emmet.

The Forgotten Soldier was first published in 1965, and concerns events that happened over 20 years previously, when the author was a teenager living in France who was drafted into the German army. The memoir has since become the subject of much criticism by historians who question much of the historical detail, especially with regards to troop movements and dates.

The Forgotten Soldier by Guy Sajer - Goodreads

It is hard to imagine the life of a soldier in a war and what he goes through during a battle, The heroics of the brave souls who keep their lives at stake for protecting a country, an ideology or a purpose is somewhat of an enigma. In "The Forgotten Soldier" Guy Sajer tries to unravel this mystifying state during Second World War.

Bestselling author Charlie Connelly returns with a First World War memoir of his great uncle, Edward Connelly, who was an ordinary boy sent to fight in a war the likes of which the world had never seen. In this heart-stopping thriller from New York Times bestselling author Brad Taylor, Pike Logan returns with his most dangerous and personal threat yet: a Taskforce Operator gone rogue. For years, the extralegal counterterrorist unit known as the Taskforce has worked in the shadows, anticipating and preventing attacks around the globe. Created to deal with a terrorist threat that shuns the civilized rule of law, it abandoned the same, operating outside of the US Constitution. Though wildly successful, it was rooted in a fear that the cure could be worse than the disease. And now that fear has come home. A Special Forces soldier is killed on an operation in Afghanistan, and complicit in the attack is a government official of an allied nation. While the US administration wants to forget the casualty, one Taskforce member will not. When he sets out to avenge his brother's death, his actions threaten to not only expose the Taskforce's activities, but also destroy a web of alliances against a greater evil. Pike Logan understands the desire, but also the danger. Brought in to eliminate the risk, he's now forced to choose between his friend and the administration he's sworn to protect, while unbeknownst to either of them, the soldier's death is only the beginning...

The illustrated edition of the classic German WWII autobiography

Pike Logan returns with his most dangerous and personal threat yet: a Taskforce operator gone rogue.

This book recountsthe horror of World War II on the eastern front, as seen through the eyes of a teenage German soldier. At first an exciting adventure, young Guy Sajer's war becomes, as the German invasion falters in the icy vastness of the Ukraine, a simple, desperate struggle for survival against cold, hunger, and above all the terrifying Soviet artillery. As a member of the elite Gross Deutschland Division, he fought in all the great battles from Kursk to Kharkov. His German footsoldier's perspective makes The Forgotten Soldier a unique war memoir, the book that the Christian Science Monitor said "may well be the book about World War II which has been so long awaited." Now it has been handsomely republished as a hardcover containing fifty rare German combat photos of life and death at the eastern front. The photos of troops battling through snow, mud, burned villages, and rubble-strewn cities depict the hardships and destructiveness of war. Many are originally from the private collections of German soldiers and have never been published before. This volume is a deluxe edition of a true classic.

This is a story of Carroll A. Durham becoming a soldier as an African American during the Vietnam War. It is a story that has never been told. Carroll was diagnosed with post-traumatic stress disorder in 1993. He is a poster child for getting the word out about what it was like for 300,000 veteran casualties who served out of 2, 500,000 troops that served in Vietnam. There are very few books in the market about the African American soldier. This story tells of the trials and tribulations of black male youth growing up during the Civil Rights Movement in the new integrated army. The story is also similar to the 30,000 casualties of the Iraq war who suffer just like the Vietnam veteran along with their families. Carroll dreamed of being a soldier growing up in his father's footsteps by him being a person in uniform during World War II. Carroll wanted to know what it was like being a soldier in the Vietnam War. He wants this story to get out to the families of the Vietnam Era so they can see what their patriots went through during this period in our American history.

If they can find a way to work together, Sean & Julian might be able to save a friend and each other in the process. After devoting eighteen years of his life to the US Navy, Petty Officer First Class Shane Parker is struggling with the very real possibility of becoming unnecessary. If he doesn't make Chief Petty Officer before his twentyland it doesn't seem likely that he will!he'll be retired from active service and placed on the Fleet Reserve list until his mooring lines are officially cut forever. While it would all be very honorable and ceremonial, he simply wasn't civilian material. Before even swearing-in, Julian Brand knew he wasn't cut out to be a soldier, but refusing wasn't an option. Generations of Brand man made careers in the military and the expectation of every Brand son was to follow in those prestigious footsteps. Though the prospect of being rolled back hindered his every step, he survived Battle Stations and did his time. Six years out of uniform and Julian still struggles to find familial acceptance as he fights to live life on his terms. On the surface, they couldn't be more different, but when Jared Ramos calls, neither are capable of refusing.
