The Gender Fall starts right where we left off with the last one. Everything is in chaos and several people are hurt and/or dying. Through the whole book I was clutching my phone, waiting to see what would happen next, who would survive and how they were going to take down the two ruling societies who are now on the brink of war.

The Gender GameBy Bella Forrest

\*WINNER OF THE UK BLACK PRIDE LITERARY PRIZE FOR NON-FICTION DIVA AWARDS 2017\* \*AS SEEN ON TRANSFORMATION STREET\* 'Opens minds, breaks down myths and vaporises prejudice - I loved it!' Rebecca Root, star of Boy Meets Girl 'Funny, thoughtful and honest' Stylist 'It's a boy!' or 'It's a girl!' are the first words almost all of us hear when we enter the world. Before our names, before we have likes and dislikes - before we, or anyone else, has any idea who we are. And two years ago, as Juno Dawson went to tell her mother she was (and actually, always had been) a woman, she started to realise just how wrong we've been getting it. Gender isn't just screwing over trans people, it's messing with everyone. From little girls who think they can't be doctors to teenagers who come to expect street harassment. From exclusionist feminists to 'alt-right' young men. From men who can't cry to the women who think they shouldn't. As her body gets in line with her mind, Juno tells not only her own story, but the story of everyone who is shaped by society's expectations of gender - and what we can do about it. Featuring insights from well-known gender, feminist and trans activists including Rebecca Root, Laura Bates, Gemma Cairney, Anthony Anaxagorou, Hannah Witton, Alaska Thunderfuck and many more, The Gender Games is a frank, witty and powerful manifesto for a world in which everyone can truly be themselves. The Gender Games has been optioned by SunnyMarch Productions to be turned into an original television series, written by Rose Lewenstein.

"This book takes a look at the games industry from a gendered perspective and highlights the variety of ways in which women remain underrepresented in this industry"--Provided by publisher.

Pocket Change Collective was born out of a need for space. Space to think. Space to connect. Space to be yourself. And this is your invitation to join us. "Thank God we have Alok. And I'm learning a thing or two myself."--Billy Porter, Emmy award-winning actor, singer, and Broadway theater performer "When reading this book, all I feel is kindness."--Sam Smith, Grammy and Oscar award-winning singer and songwriter "Beyond the Gender Binary will give readers everywhere the feeling that anything is possible within themselves"--Princess Nokia, musician and co-founder of the Smart Girl Club "A fierce, penetrating, and empowering call for change."-- Kirkus Reviews, starred review "An affirming, thoughtful read for all ages." -- School Library Journal, starred review In Beyond the Gender Binary, poet, artist, and LGBTQIA+ rights advocate Alok Vaid-Menon deconstructs, demystifies, and reimagines the gender binary. Pocket Change Collective is a series of small books with big ideas from today's leading activists and artists. In this installment, Beyond the Gender Binary, Alok Vaid-Menon challenges the world to see gender not in black and white, but in full color. Taking from their own experiences as a gender-nonconforming artist, they show us that gender is a malleable and creative form of expression. The only limit is your imagination.

Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey Eugenides’ witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there’s a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie’s grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator’s life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It’s a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

From #1 New York Times bestselling author Chris Colfer comes a funny, heartbreaking, unforgettable novel about friendship and fame perfect for fans of Me, Earl, and the Dying Girl and John Green. Cash Carter is the young, world famous lead actor of the hit television show Wiz Kids. When four fans jokingly invite him on a cross-country road trip, they are shocked that he actually takes them up on it. Chased by paparazzi and hounded by reporters, this unlikely crew takes off on a journey of a lifetime--but along the way they discover that the star they love has deep secrets he's been keeping. What they come to learn about the life of the mysterious person they thought they knew will teach them about the power of empathy and the unbreakable bond of true friendship. In this touching novel, New York Times bestselling author Chris Colfer takes us on a journey full of laughter, tears, and life-changing memories.
