The Greatest: My Own Story by Muhammad Ali, Richard Durham —

In The Greatest, My Own Story, Ali revealed that he threw his Olympic gold medal into the Ohio river because of the racism he faced in his hometown of Louisville, Kentucky. According to the book, Ali and his friend, Ronnie King, rode their motorbikes to a downtown restaurant, where the pot-bellied owner refused them service and they were taunted by a handful of customers.

The Greatest My Own Story by Ali, Muhammad — AbeBooks

Everybody knows the record the stuff of almanacs, trade magazines and clipping services. A handful know the man. But only Muhammad Ali knows his life as he lived it. The Greatest is Ali's own story. For six years he worked, traveled and talked with Richard Durham, a writer with a stunning talent, and the result is mesmerizing in its brilliance, drama, humanity and sheer entertainment. This is no documented scrapbook of wins and losses strung together with anecdotes; nor is it a thin potpourri of locker room gags. This book, like Ali who has incited every reaction except indifference goes straight to the place where responses to him have always been the gut. When the history of the twentieth century is finally recorded, it must include Muhammad Ali. He is "The Greatest."

In his own words, the heavyweight champion of the world pulls no punches as he chronicles the battles he faced in and out of the ring in this fascinating memoir edited by Nobel Prize-winning novelist, Toni Morrison. Growing up in the South, surrounded by racial bigotry and discrimination, Ali fought not just for a living, but also for respect and rewards far more precious than money or glory. He was named Sportsman of the Century by Sports Illustrated and the BBC. Ali redefined what it meant to be an athlete by giving hope to millions around the world and inspiring us all to fight for what is important to us. This is a multifaceted portrait of Muhammad Ali only he could render: sports legend; unapologetic anti-war advocate; outrageous showman and gracious goodwill ambassador; fighter, lover, poet, and provocateur; an irresistible force to be reckoned with. Who better to tell the tale than the man who went the distance living it?

The champion prizefighter offers a blow-by-blow commentary on his profession, his family and friends, and other boxers

Former boxing legend Muhammad Ali, one of the best-known and best-loved celebrities and an international good-will ambassador, offers inspiration and hope as he describes the spiritual philoogy that sustains him. "During my boxing career, you did not see the real Muhammad Ali. You just saw a little boxing. You saw only a part of me. After I retired from boxing my true work began. I have embarked on a journey of love." So Muhammad Ali begins this spiritual memoir, his description of the values that have shaped and sustained him and that continue to guide his life. In The Soul of a Butterfly the great champion takes readers on a spiritual journey through the seasons of life, from childhood to the present, and shares the beliefs that have served him well. After fighting some of the fiercest bouts in boxing history against Joe Frazier and George Foreman, today Muhammad Ali faces his most powerful foe—outside the boxing ring. Like many people, he battles an illness that limits his physical abilities, but as he says, "I have gained more than I have lost... I have never had a more powerful voice than I have now." Ali reflects on his faith in God and the strength it gave him during his greatest challenge, when he lost the prime years of his boxing career because he would not compromise his beliefs. He describes how his study of true Islam has helped him accept the changes in his life and has brought him to a greater awareness of life's true purpose. As a United Nations "Messenger of Peace," he has traveled widely, and he describes his 2002 mission to Afghanistan to heighten public awareness of that country's desperate situation, as well as his more recent meeting with the Dalai Lama. Ali's reflections on topics ranging from moral courage to belief in God to respect for those who differ from us will inspire and enlighten all who read them. Written with the assistance of his daughter Hana, The Soul of a Butterfly is a compassionate and heartfelt book that will provide comfort for our troubled times.

An inspiring biography of Muhammad Ali from the legendary Walter Dean Myers, reissued under Scholastic Focus for a new generation. From his childhood in the segregated South to his final fight with Parkinson's disease, Muhammad Ali never backed down. He was banned from boxing during his prime because he refused to fight in Vietnam. He became a symbol of the antiwar movement - and a defender of civil rights. As "The Greatest," he was a boxer of undeniable talent and courage. He took the world by storm - only Ali could "float like a butterfly, sting like a bee!" Muhammad Ali: Olympic gold medalist, former heavyweight champion, and one of the most influential people of all time.

Where does true adventure come from? A young Latino boy and his grandfather find the true answer together.

Muhammad Ali 's daughter captures the legendary heavyweight boxing champion, Olympic Gold medalist, activist, and philanthropist as never before in this candid and intimate family memoir, based on personal recordings he kept throughout his adult life. Athlete. Activist. Champion. Ambassador. Icon. Father. The greatest, Muhammad Ali, is all of these things. In this candid family memoir, Hana Ali illuminates this momentous figure as only a daughter can. As Ali approached the end of his astonishing boxing career, he embraced a new purpose and role, turning his focus to his family and friends. In that role, he took center stage as an ambassador for peace and friendship. Dedicated to preserving his family 's unique history, Ali began recording a series of audio diaries in the 1970s, which his daughter later inherited. Through these private tapes, as well as personal journals, love letters, cherished memories, and many never-before-seen photographs, she reveals a complex man devoted to keeping all nine of his children united, and to helping others. Hana gives us a privileged glimpse inside the Ali home, sharing the everyday adventures her family experienced—all so " normal, " with visitors such as Clint Eastwood and John Travolta dropping by. She shares the joy and laughter, the hardship and pain, and, most importantly, the dedication and love that has bonded them. " It 's been said that my father is one of the most written-about people in the world. " Hana writes. " As the chronicles continue to grow, the deepest and most essential essence of his spirit is still largely unknown. " A moving and poignant love letter from a daughter to a father, At Home with Muhammad Ali is the untold story of Ali 's family legacy—a gift both eternal and priceless.

FLOAT LIKE A BUTTERFLY - Muhammad Ali: The Greatest Boxer In HistoryOn June 10 2016, hundreds of people lined the streets of Louisville, Kentucky, as a procession of black cars drove slowly by. A hearse, strewn with flowers placed by onlookers, carried the mortal remains of Muhammad Ali, born Cassius Marcellus Clay, Jr. The procession wound its way to Cave Hill Cemetery, where the ex-boxer known to the world as 'The Greatest' was laid to rest in a private ceremony. It was a fitting end to a life that, powerful as it was, had really shone outside of the limelight. But how did a boy from the streets of Louisville, Kentucky rise through the ranks to become one of the most famous sportsmen on the planet, and the undisputed greatest boxer ever to have lived? Float Like A Butterfly looks at the Ali story, from his early life, through to his career, his politics and his legacy on the world. A must-read for any Muhammad Ali or boxing fan.

"A New York Times Bestseller" Megan Mullally and Nick Offerman reveal the full story behind their epic romance—presented in a series of intimate conversations between the couple, including photos, anecdotes, and the occasional puzzle. The year: 2000. The setting: Los Angeles. A gorgeous virtuoso of an actress agreed to star in a random play, and a basement-dwelling sonic carpenter said he would assay a supporting role in the selfsame pageant. At the first rehearsal she surveyed her fellow cast members, determining if any of the men might qualify to provide her with a satisfying fling. Her gaze fell upon the carpenter, and like a bolt of lightning the thought struck her: no dice. Moving on. Yet, unbeknownst to our protagonists, Cupid had merely set down his bow and picked up a rocket launcher...that fired a love rocket (not a euphemism). The players were Megan Mullally and Nick Offerman, and the resulting romance, once ignited, was...epic. Beyond epic. It resulted in a coupling that has endured to this day; a sizzling, perpetual tryst that has captivated the world with its kindness, athleticism, astonishingly low-brow humor, and true (fire emoji) passion. How did they do it? They came from completely different families, ignored a significant age difference, and were separated by the gulf of several social strata. Megan loved books and art history; Nick loved hammers. But much more than these seemingly unsurpassable obstacles were the values they held in common: respect, decency, the ability to mention genitalia in almost any context, and an abiding obsession with the songs of Tom Waits. Eighteen years later, they're still very much in love and have finally decided to reveal the philosophical mountains they have conquered, the lessons they've learned, and the myriad jigsaw puzzles they've completed. Presented as an oral history in a series of conversations between the couple, the book features anecdotes, hijinks, photos, and a veritable grab bag of tomfoolery. This is not only the intoxicating book that Mullally's and Offerman's fans have been waiting for, it might just hold the solution to the greatest threat facing our modern world: the single life.

" Rahaman has, at last, written the definitive biography on his late brother, which tells the real Ali story. " —Mike Tyson More words have been written about Muhammad Ali than almost anyone else. He was, without doubt, the world 's most-loved sportsman. At the height of his celebrity he was the most famous person in the world. And yet, until now, the one voice missing belonged to the man who knew him best—his only sibling, and best friend, Rahaman Ali. No one was closer to Ali than Rahaman. Born Cassius and Rudolph Arnett Clay, the two brothers grew up together, lived together, trained together, travelled together, and fought together in the street and in the ring. A near-constant fixture in his sibling 's company, Rahaman saw Ali at both his best and his worst: the relentless prankster and the jealous older brother, the outspoken advocate, the husband and father. In My Brother, Muhammad Ali, Rahaman offers an insider's perspective on the well-known stories as well as never-before-told tales, painting a rich and intimate portrait of a proud, relentlessly polarizing, yet often vulnerable man. In this extraordinary, poignant memoir, Rahaman tells a much bigger and more personal story than in any other book on Muhammad Ali—that of two brothers, almost inseparable from birth to death. It is the final and most important perspective on an iconic figure.
