What is it about a pretty girl in a tight skirt bent over to adjust her stockings? Or that hotter-than-hot butch, swaggering into the bar like she owns it, eyes undressing every pretty girl in the place? Some butches worship at the altar of their femmes fatale and many little girls have a need to serve their big, strong daddies. In The Harder She Comes, we meet girls salivating at the sight of well-filled and packed jeans and bois dreaming of having a beautiful girl’s red lipstick smeared across their mouths. D. L. King has curated a singular set of stories filled with sexy sirens luring unsuspecting butches to their demise on the rocky shores of love and hot, confident women in silk and lace during the day who will do anything to serve their daddies’ needs at night. The Harder She Comes is great writing with characters that will stay with the reader for a long, long time — sometimes sweet, always sexy, often romantic, and more than a little dangerous.

Does the swagger of a sure-footed butch make you swoon? Do your knees go weak when you see a femme straighten her stockings? A duet between two sorts of women, butch/femme is a potent sexual dynamic. Tristan Taormino chose her favorite butch/femme stories from the Best Lesbian Erotica series, which has sold over 200,000 copies in the 16 years she was editor. And if you think you know what goes in in the bedroom between femmes and butches, these 22 shorts will delight you with erotic surprises. In Joy Parks’s delicious “Sweet Thing,” the new femme librarian in town shows a butch baker a new trick in bed. The stud in “Tag!,” by D. Alexandria, finds her baby girl after a chase in the woods by scent alone. And the girl in a pleated skirt gets exactly what she wants from her Daddy in Peggy Munson’s “The Rock Wall.” Sometimes She Lets Me shows that it’s all about attitude — predicting who will wind up on top isn’t easy in stories by S. Bear Bergman, Rosalind Christine Lloyd, Samiya A. Bashir, and many more.

Published in 1993, this brave, original novel is considered to be the finest account ever written of the complexities of a transgendered existence. Woman or man? Thats the question that rages like a storm around Jess Goldberg, clouding her life and her identity. Growing up differently gendered in a blue-collar town in the 1950s, coming out as a butch in the bars and factories of the prefeminist 60s, deciding to pass as a man in order to survive when she is left without work or a community in the early 70s. This powerful, provocative and deeply moving novel sees Jess coming full circle, she learns to accept the complexities of being a transgendered person in a world demanding simple explanations: a he-she emerging whole, weathering the turbulence.

This is a book about a hard working lady that believes in God and family. When she tries to help one of her students, her world gets turned upside down. She was told that she had spoken Gods name in class and because it was against school rules she would be sent home. When a local news station gets involved, things get very interesting. She has a very understanding family and support group. She knows that with God's help everything will turn out for the best. So keep this in mind while you read about the struggles that she has to go through because she loves God and doesn't care who knows or who might be offended. Lets bring God and prayer back to our schools.

Jaq Cummings is a high school teacher who really wants a committed relationship—as long as it doesn’t keep her out late on school nights or interrupt Sunday mass with her dad. She is absolutely not about to fall for the hot-mess divorcée she hooks up with even if said hot mess pushes all her buttons. Jaq’s white knight days are over. But one hookup with Hannah becomes two, then coffee, then more incredibly hot sex. And unlike most of Jaq’s exes, Hannah’s not looking for someone to come on strong. In fact, Hannah comes on plenty strong enough for both of them. But she’s just out of a disastrous marriage, she’s in the process of moving across the state, and Jaq can’t take a chance on yet another relationship where she defaults to being a caregiver instead of a partner. Just when Jaq decides her relationship with Hannah is far too precarious, a crisis with a student reminds her of her priorities and makes it clear that sometimes, you have to take big risks to get what you really want.

"For a century Butch Cassidy has been the subject of legends about his life and death, spawning a small industry of mythmakers and a major Hollywood film. Charles Leerhsen sorts out fact from fiction to find the real Butch Cassidy, who is far more complicated and fascinating than legend has it"--

Kwon The Crucible meets True Grit in this riveting adventure story of a fugitive girl, a mysterious gang of robbers, and their dangerous mission to transform the Wild West. In the year of our Lord 1894, I became an outlaw. The day of her wedding, 17 year old Ada's life looks good; she loves her husband, and she loves working as an apprentice to her mother, a respected midwife. But after a year of marriage and no pregnancy, in a town where barren women are routinely hanged as witches, her survival depends on leaving behind everything she knows. She joins up with the notorious Hole in the Wall Gang, a band of outlaws led by a preacher-turned-robber known to all as the Kid. Charismatic, grandiose, and mercurial, the Kid is determined to create a safe haven for outcast women. But to make this dream a reality, the Gang hatches a treacherous plan that may get them all killed. And Ada must decide whether she's willing to risk her life for the possibility of a new kind of future for them all. Featuring an irresistibly no-nonsense, courageous, and determined heroine, Outlawed dusts off the myth of the old West and reignites the glimmering promise of the frontier with an entirely new set of feminist stakes. Anna North has crafted a pulse-racing, page-turning saga about the search for hope in the wake of death, and for truth in a climate of small-mindedness and fear.
