Report Research Statistics
to leave a legacy beyond a transfer of money and property--one that ensures a sustainable earth for our loved ones, our communities, and generations to come. But where do we even begin? With the sudden deaths of both of

Read Book The Nfda Cremation And Burial

her parents, Mallory McDuff
found herself in a similar
position. Utterly unprepared
both emotionally and
practically, she began to
research sustainable
practices around death and
dying, determined to honor

Read Book The Nfda Cremation And Burial

their commitment to caring
for the earth. For McDuff,
an educator and
environmentalist, what
started as a highly personal
endeavor expanded into a
yearlong exploration and
assessment of green burials,

Report Research Statistics
increasingly common, yet
still controversial,
alternative to burial. Rosen
gives an entertaining first
person account of his
inquiry into the practice of
cremation and its roots. He
describes the early ancient

Read Book The Nfda Cremation And Burial Report Research Statistics

custom of cremation by funeral pyre and then explores why the rising Church banned the practice as a sacrilege. He then traces the underpinnings of the modern cremation movement in the late 19th

Read Book The Nfda Cremation And Burial Report Research Statistics

century among a colorful group of intellectuals and physicians. This 19th century group endorsed this then illegal practice as a means to improve public health—as a way to prevent seepage of burial grounds

Read Book The Nfda Cremation And Burial

from polluting ground water
and spreading disease. Rosen
goes on to examine, in
today's world, people's
feelings about death and
religion as well as their
sensitivities to cremation.
Given certain abuses, he

Read Book The Nfda Cremation And Burial

believes that this industry
needs to be regulated.

However, he finds much in
favor of cremation when
firsthand comparing its
costs vs. the excesses and
extravagances of the burial
funeral industry. In an age

Read Book The Nfda Cremation And Burial
