Jean Ure perfectly captures the lives of ordinary children - but no child is ever ordinary, and certainly not Salvatore d'Amato - or Sally Tomato, as he's sometimes called. He's out to get a girl and he has a plan: he's going to write some Disgusting Ditties - one for each letter of the alphabet, and start some secret body-building, too.

One of Jean Ure's series of stories written in diary form. Salvatore d'Amato - or Sally Tomato, as he's sometimes called, is out to get a girl and he has a plan: he's going to write some Disgusting Ditties - one for each letter of the alphabet, and start some secret body-building, too.

Sally Ride made history as the first American woman in space. A member of the first astronaut class to include women, she broke through a quarter-century of white male fighter jocks when NASA chose her for the seventh shuttle mission, cracking the celestial ceiling and inspiring several generations of women. After a second flight, Ride served on the panels investigating the Challenger explosion and the Columbia disintegration that killed all aboard. In both instances she faulted NASA's rush to meet mission deadlines and its organizational failures. She cofounded a company promoting science and education for children, especially girls.

"With empathy and keen insight, Sally Hepworth delivers a page-turning novel about the complex, lovely, and even heartbreaking relationships between mothers and daughters.—Emily Giffin Three generations of women Secrets in the present and from the past A captivating tale of life, loss, and love...Neva Bradley, a third-generation midwife, is determined to keep the details surrounding her own pregnancy—including the identity of the baby's father— hidden from her family and co-workers for as long as possible. Her mother, Grace, finds it impossible to let this secret rest. The more Grace prods, the tighter Neva holds to her story, and the more the lifelong differences between private, quiet Neva and open, gregarious Grace strain their relationship. For Floss, Neva's grandmother and a retired midwife, Neva's situation thrusts her back sixty years in time to a secret that eerily mirrors her granddaughter's—one which, if revealed, will have life-changing consequences for them all. As Neva's pregnancy progresses and speculation makes it harder and harder to conceal the truth, Floss wonders if hiding her own truth is ultimately more harmful than telling it. Will these women reveal their secrets and

deal with the inevitable consequences? Or are some secrets best kept hidden?

MINI TREASURES - delightful mini picture books to treasure for ever. SALLY'S SECRET - Sally loves building houses in all sorts of places, and one day she discovers a special place for a special secret house, which she just has to share with her friend.

Do you believe in angels and fairies? This is a story about a nine-year-old girl named Sally Rose who, if you asked her the same question, she would say, "Yes, I do." In this story, Sally Rose goes on a journey that tests her ability to open her mind and allow things to unfold the way they are meant to. This journey allows her to experience events she never thought possible. She gets answers to her so many questions, but she gets so much more. She learns that love and patience and truly believing will get you to a place of peace and tranquility. Follow Sally Rose on her journey and you, the reader, can decide for yourself if what Sally Rose experienced is true or not. I ask you to keep an open mind while reading this story. I believe you, the reader, will come away being a believer as well. This is a book enjoyed by children as well as adults. Enjoy.

In this intimate, haunting literary memoir and New York Times Notable Book of the year, an American icon tells her own story for the first time -- about a challenging and lonely childhood, the craft that helped her find her voice, and a powerful emotional legacy that shaped her journey as a daughter and a mother. One of the most celebrated, beloved, and enduring actors of our time, Sally Field has an infectious charm that has captivated the nation for more than five decades, beginning with her first TV role at the age of seventeen. From Gidget's sweet-faced "girl next door" to the dazzling complexity of Sybil to the Academy Award-worthy ferocity and depth of Norma Rae and Mary Todd Lincoln, Field has stunned audiences time and time again with her artistic range and emotional acuity. Yet there is one character who always remained hidden: the shy and anxious little girl within. With raw honesty and the fresh, pitch-perfect prose of a natural-born writer, and with all the humility and authenticity her fans have come to expect, Field brings readers behind-the-scenes for not only the highs and lows of her star-studded early career in Hollywood, but deep into the truth of her lifelong relationships--including her complicated love for her own mother. Powerful and unforgettable, *In Pieces* is an inspiring and important account of life as a woman in the second half of the twentieth century.

AN INSTANT #1 NEW YORK TIMES BESTSELLER *Beautiful World, Where Are You* is a new novel by Sally Rooney, the bestselling author of *Normal People* and *Conversations with Friends*. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they get together, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Neva Bradley, a third-generation midwife, is determined to keep the details surrounding her own pregnancy - including the identity of the baby's father - hidden from her family and co-workers for as long as possible. Her mother, Grace, finds it impossible to let this secret rest, even while her own life begins to crumble around her. For Floss, Neva's grandmother and a retired midwife, Neva's situation thrusts her back 60 years in time to a secret that eerily mirrors

her granddaughter's-a secret which, if revealed, will have life-changing consequences for them all. "This is women's fiction at its finest. Sally Hepworth has written a wonderfully satisfying story.... touching, tender, and meticulously researched, giving the reader a fascinating window into the amazing world of midwifery." -Liane Moriarty, author of Big Little Lies "With empathy and keen insight, Hepworth delivers a page-turning novel. This is a rare tale that weaves together the past and the present in a totally absorbing narrative. Hepworth illuminates one of the most important moments in a woman's life-when she becomes a mother-and spins a story that will hold you captivated until the end." -Emily Giffin, author of The One and Only

Anna Forster is only thirty-eight years old, but her mind is slowly slipping away from her. Armed only with her keen wit and sharp-eyed determination, she knows that her family is doing what they believe to be best when they take her to Rosalind House, an assisted living facility. But Anna has a secret: she does not plan on staying. She also knows there's just one another resident who is her age, Luke. What she does not expect is the love that blossoms between her and Luke even as she resists her new life. As her disease steals more and more of her memory, Anna fights to hold on to what she knows, including her relationship with Luke. Eve Bennett, suddenly thrust into the role of single mother to her bright and vivacious seven-year-old daughter, finds herself putting her culinary training to use at Rosalind house. When she meets Anna and Luke, she is moved by the bond the pair has forged. But when a tragic incident leads Anna's and Luke's families to separate them, Eve finds herself questioning what she is willing to risk to help them. Eve has her own secrets, and her own desperate circumstances that raise the stakes even higher. With huge heart, humor, and a compassionate understanding of human nature, Sally Hepworth delivers a page-turning novel about the power of love to grow and endure even when faced with the most devastating of obstacles. You won't forget *The Things We Keep*.
