In the scorching sands of Arabia, Mohammed ibn Abdullah (The Prophet Mohammed) had a problem. After preaching for 13 years he had attracted on average just 12 followers a year to his new religion of Islam. Worse still, half the people in his home town of Mecca wanted to kill him. After fleeing to Medina however, things would change dramatically.

Mohammed's story is the most incredible story never told. It is said that truth is stranger than fiction and honestly, NO-ONE could have made this up. There are battles, murders, intrigues, rapes, assassinations, torture, intimidation, and much much more. Along the way Mohammed invented Jihad, the most effective system of conquest ever devised. Mohammed's life story is also the key which unlocks the complexities and confusion of the Islamic religion itself. By understanding his story we quickly gain a clear insight into Islam and the incredible importance this subject holds for our future. This amazing book pulls no punches and brings the subject to life in a way which is both fascinating and informative. Rather

than looking at Islam through a prism of Western (and by default, Christian) perspective, it examines the Islamic perspective itself. In doing so it illuminates the contrast between Western and Islamic ethics and beliefs in plain and simple language which makes it a delight to read. Millions of people, both Muslims and non Muslims are tragically affected by aspects of Islam. More than 95% of all wars and armed conflict today involve Muslims. Muslims also suffer some of the highest rates of poverty, disease, hunger, illiteracy, environmental degradation and many more crippling disadvantages. By tackling the subject head on, this book leaves us with the knowledge and understanding to address these problems with logical and well thought out solutions. vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up

surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a

worldwide transformation.

In the midst of the dramatic seventh-century war between two empires, Muhammad was a spiritual seeker in search of community and sanctuary. Many observers stereotype Islam and its scripture as inherently extreme or violent—a narrative that has overshadowed the truth of its roots. In this masterfully told account, preeminent Middle East expert Juan Cole takes us back to Islam's—and the Prophet Muhammad's—origin story. Cole shows how Muhammad came of age in an era of unparalleled violence. The eastern Roman Empire and the Sasanian Empire of Iran fought savagely throughout the Near East and Asia Minor. Muhammad's profound distress at the carnage of his times led him to envision an alternative

movement, one firmly grounded in peace. The religion Muhammad founded, Islam, spread widely during his lifetime, relying on soft power instead of military might, and sought armistices even when militarily attacked. Cole sheds light on this forgotten history, reminding us that in the Qur'an, the legacy of that spiritual message endures. A vibrant history that brings to life the fascinating and complex world of the Prophet, Muhammad is the story of how peace is the rule and not the exception for one of the world's most practiced religions.

Based on Arabic sources of the eighth and ninth centuries, of which some important passages are translated here for the first time, it owes the freshness and directness of its approach to the words of men and women who heard Muhammad speak and witnessed the events of his life. Martin Lings has an unusual gift for narrative. He has adopted a style which is at once extremely readable and reflects both the simplicity and grandeur of the story. The result is a book which will be read with equal enjoyment by those already familiar with Muhammad's life and those coming to it for the first time. Muhammad: His Life Based to the Earliest Sources was given an award by the government of Pakistan, and selected as the best biography of the Prophet in English at the National
