The Ultimate Fake Book: C Edition (Fake Books):  
Amazon.co ...

Each song in a fake book contains the melody line, basic chords, and lyrics - the minimal information needed by a musician to make an impromptu arrangement of a song, or "fake it." The fake book is a central part of the culture of playing music in public, particularly in jazz, where improvisation is particularly valued. Fake books are not intended for novices: the reader must follow and interpret the scant notation, and generally needs to have thorough familiarity with

For keyboard players of all levels. Fake books are used by professional musicians at cocktail lounges, weddings, and many other performing situation. They are invaluable because they contain a thousand or more songs in one compact volume. But in order to use them one must know how to look at a kind of musical shorthand--a skeleton of each song which gives only melody, lyrics and chord symbols--and "fake" a full accompaniment. Now, anyone can! This book will teach you how to play any chord symbol you
