The Wizard of Lies is a great television movie with a very well developed plot and a stellar cast. It's a very bleak drama that can be difficult to watch at times, there is really no light at the end of the tunnel here. The actions of Bernie Madoff were inhuman and completely inexcusable, and this film does not try to sugarcoat that in any way.

-- has written the definitive book on the man and his scheme, drawing on unprecedented access and more than one hundred interviews with people at all levels and on all sides of the crime, including Madoff's first interviews for publication since his arrest. Henriques also provides vivid details from the various lawsuits, government investigations, and court filings that will explode the myths that have come to surround the story. A true-life financial thriller, *The Wizard of Lies* contrasts Madoff's remarkable rise on Wall Street, where he became one of the country's most trusted and respected traders, with dramatic scenes from his accelerating slide toward self-destruction. It is also the most complete account of the heartbreaking personal disasters and landmark legal battles triggered by Madoff's downfall -- the suicides, business failures, fractured families, shuttered charities -- and the clear lessons this timeless scandal offers to Washington, Wall Street, and Main Street.

With shocking new details from Madoff himself *The definitive account of the world ' s biggest Ponzi scheme – an instant New York Times bestseller* Based on award-winning reporter Diana Henriques' unprecedented access to Madoff, including extensive correspondence and his first interviews for publication since his arrest, "*Bernie Madoff, The Wizard of Lies*" is the ultimate true-life financial thriller.

This is the story of the greatest con in financial history—one that has commanded the attention of the entire world from the day the news broke on December 11, 2008. Bernard Madoff's financial scheming roped in thousands of victims, ranging from boldfaced names—Steven Spielberg, Mortimer Zuckerman, Kevin Bacon, Elie Wiesel—to ordinary people

who saw their nest eggs disappear in a smoke-and-mirrors debacle. The Enron machinations pale beside the havoc that Madoff created in people's lives. Who is this Bernie Madoff? A shady con man? A sociopath? An evil genius? Who was in on it with him? And where is the money? The established expert on the Bernie Madoff case, journalist Andrew Kirtzman offers a riveting analysis of the man and his deeds that is filled with solid research and suspenseful storytelling.

On the 29th of June, 2008, Bernie Madoff was sentenced to 150 years in prison. His crime was running the biggest-ever fraudulent scheme in US history, and probably in the history of the world. The prosecutors estimated that Madoff had committed a fraud worth \$64.8 billion. Madoff was a well-respected financier, and this is why investors believed him when he promised consistent profits in return of their savings. Furthermore, he continued to fool his investors, more than 4,800 clients, for a period of over a decade. So, who was Bernie Madoff? What is a Ponzi scheme? How did Bernie manage to run this fraudulent scheme for such a long time? How was he caught? Find out all about this and much more right here in this book.

In December 2008, the world watched as master financier Bernard L. Madoff was taken away from his posh Manhattan apartment in handcuffs, accused of swindling thousands of innocent victims-including friends and family-out of billions of dollars in the world's largest Ponzi scheme. Madoff went to jail; he will spend the rest of his life there. But what happened to his devoted wife and sons? The people closest to him, the public reasoned, must have known the truth behind his astounding success. Had they been tricked, too? With unprecedented access

Online Library The Wizard Of Lies Bernie Madoff And Death Trust Diana B Henriques

to the surviving family members-wife Ruth, son Andrew and his fiancée Catherine Hooper-journalist Laurie Sandell reveals the personal details behind the headlines. How did Andrew and Mark, the sons who'd spent their lives believing in and building their own families around their father's business first learn of the massive deception? How does a wife, who adored her husband since they were teenagers, begin to understand the ramifications of his actions? The Madoffs were a tight-knit-even claustrophobic-clan, sticking together through marriages, divorces, and illnesses. But the pressures of enduring the massive scandal push them to their breaking points, most of all son Mark, whose suicide is one of the many tragedies that grew in the wake of the scandal. Muzzled by lawyers, vilified by the media and roundly condemned by the public, the Madoffs have chosen to keep their silence-until now. Ultimately, theirs is one of the most riveting stories of our time: a modern-day Greek tragedy about money, power, lies, family, truth and consequences.

Nobody knew Bernie like I did, and nobody knows about me... Sheryl Weinstein met Bernie Madoff when she was just shy of forty, and went on to have a twenty-year secret, intimate relationship with the man now known as an evil mastermind, a villain of the greatest proportions. It was 1988 and Sheryl was facing a huge dilemma. Bernie Madoff was paying her a great deal of attention. She was in the midst of a rocky marriage and feeling vulnerable, when the powerful Wall Street mogul began making overtures. As a successful CPA and head of a major charitable organization, she had a lot to lose. She directed him to take things slowly. Over the next five years, there were business meetings over lunch, followed by intimate dinners in hotel rooms and finally, private moments that for a time seemed intensely

Online Library The Wizard Of Lies Bernie Madoff And Death Trust Diana B Henriques

satisfying to them both. "I'm not to be trusted," he once told her casually. She ignored it, having no idea how prophetic those words would be. After all, her relationship with Bernie was passionate and profound. She felt desirable. She was the one nobody knew about, with the window into the real man. So careful about investing her money, when the SEC cleared him in 1992 she decided to get in all the way--with her heart, her soul--and her financial future. Sheryl was in the wrong place at the wrong time. She couldn't possibly have imagined the devastation that would befall her. Learning the truth was shattering on so many levels. Many books are being written about the scale of Madoff's fraud, but until now, nothing has shown the man through private eyes. Sheryl Weinstein's riveting story reveals a Madoff who will shock and surprise you. From the boardroom to the bedroom, in each other, the two found something that had been lacking in their own lives. It's a story with tragic overtones--a drama that only now could find a devastating conclusion.

Harry Markopolos and his team of financial sleuths discuss first-hand how they cracked the Madoff Ponzi scheme No One Would Listen is the thrilling story of how the Harry Markopolos, a little-known number cruncher from a Boston equity derivatives firm, and his investigative team uncovered Bernie Madoff's scam years before it made headlines, and how they desperately tried to warn the government, the industry, and the financial press. Page by page, Markopolos details his pursuit of the greatest financial criminal in history, and reveals the massive fraud, governmental incompetence, and criminal collusion that has changed thousands of lives forever--as well as the world's financial system. The only book to tell the story of Madoff's scam and the SEC's failings by those who saw both first hand Describes how

Online Library The Wizard Of Lies Bernie Madoff And Death Trust Diana B Henriques

Madoff was enabled by investors and fiduciaries alike Discusses how the SEC missed the red flags raised by Markopolos Despite repeated written and verbal warnings to the SEC by Harry Markopolos, Bernie Madoff was allowed to continue his operations. No One Would Listen paints a vivid portrait of Markopolos and his determined team of financial sleuths, and what impact Madoff's scam will have on financial markets and regulation for decades to come.

After the news broke of Bernie Madoff's arrest on December 11, 2008, the facts were hard to grasp. Madoff claimed to have stolen fifty billion dollars; the sum seemed impossibly large. But of course it wasn't impossible. And that was only the beginning of the story. As chief investigative correspondent for ABC News, Brian Ross has been on the front lines of the Madoff scandal since the beginning. Throughout the course of his investigation, he and his team have achieved unequalled access to the investigators working to unravel Madoff's fraud, and have succeeded in cultivating sources deep within the walls of Bernard L. Madoff Investment Securities that no other journalist has reached. The result is an unparalleled, fly-on-the-wall view of a life of corrupted luxury and outrageous lies.

A New York Times bestseller, *The End of Normal* is the explosive and heartbreaking memoir from the widow of Mark Madoff and the daughter-in-law of Bernard Madoff. When the news of Bernard Madoff's Ponzi scheme broke, no one was more shocked than the members of his own family. Before then, Madoff's son, Mark, and daughter-in-law, Stephanie, had built an idyllic life. Yet, while Mark's thriving business was entirely separate from his father's now notorious fund, he and Stephanie found themselves in the eye of the storm—and

Online Library The Wizard Of Lies Bernie Madoff And Death Trust Diana B Henriques

grappling with their own sense of betrayal. Mark refused to see or speak to his parents, and on the second anniversary of his father ' s arrest, he hanged himself. Left to raise her children as a single mother, Stephanie tells the real story of her marriage to Mark, of being a part of the Madoff family, and of life for two years following her father-in-law ' s arrest and incarceration. The End of Normal is a searing inside look at one of the most controversial stories of our time, and an extraordinary memoir of surviving personal tragedy amid public scandal.

It almost seems that Thomas Mellon Evans was a man so far ahead of his contemporaries that he had moved into the shadows before the full force of his business style had dawned on the rest of corporate America. At every step in his career, he was barging in where few would follow -- at first. But follow they did, at last." -- from the Prologue The first in-depth portrait of the life and times of the trailblazing financier Thomas Mellon Evans -- the man who pursued wealth and power in the 1950s with a brash ruthlessness that forever changed the face of corporate America. Long before Michael Milken was using junk bonds to finance corporate takeovers, Thomas Mellon Evans used debt, cash, and the tax code to obtain control of more than eighty American companies. Long before investors began to lobby for "shareholder's rights," Evans was demanding that public companies be run only for their shareholders -- not for their employees, their executives, or their surrounding communities. To some, Evans's merciless style presaged much that is wrong with corporate life today. To others, he intuitively knew what was needed to keep America competitive in the wake of a global war. In *The White Sharks of Wall Street*, New York Times investigative reporter Diana Henriques

Online Library The Wizard Of Lies Bernie Madoff And Death Trust Diana B Henriques

provides the first biography of this pivotal figure in American business history. She also portrays the other pioneering corporate raiders of the postwar period, such as Robert Young and Louis Wolfson, and shows how these men learned from one another and advanced one another's takeover tactics. She relates in dramatic detail a number of important early takeover fights -- Wolfson's challenge to Montgomery Ward, Young's move on the New York Central Railroad, the fight for Follansbee Steel -- and shows how they foreshadowed the desperate battle waged by Tom Evans's son, Ned Evans, to keep the British raider Robert Maxwell away from his Macmillan publishing empire during the 1980s. Henriques also reaches beyond the business arena to tally the tragic personal cost of Evans's pursuit of success and to show how the family dynasty shattered when his sons were driven by his own stubbornness and pride to become his rivals. In the end, the battling patriarch faced his youngest son in a poignant battle for control at the Crane Company, the once-famous Chicago plumbing and valve company that Tom Evans had himself seized in a brilliant takeover coup twenty-five years earlier. *The White Sharks of Wall Street* is a fascinating portrait of an extraordinary man, whose career blazed across the sky and then sank into obscurity -- but not before he had provided the template for how American business would operate for the next four decades.
