There's More to Life Than This lends insight on how Theresa's mediumship works, what happens to your soul when you die, what Spirit says Heaven is like, what the deceased want you to know, the importance of living a positive life, and the many roles that your family, friends, angels, guides, souls of faith, and God play here and in the afterlife. It also explores how to safely connect with Spirit, so that you can recognize when your loved ones are reaching out.

There comes a point where you would have "had it all" and still feel a sense of emptiness: an empty void that needs to be filled, not with money or material possessions. So the question is then, what more is there to life if not for financial stability, status or material possessions?

"There's more to life than Christmas" - Independent.ie

There is more to life than merely being, even in this very moment, even if it's all we are certain to have. There is more to life than this.

Blending together personal stories, anecdotes, and client readings, the star of TLC's "Long Island Medium" shares her world and her gift of communicating with those who have crossed over to the other side.

A significant life has positive meaning and value beyond individual success. It means contributing to the lives of others and showing compassion. In this book, Jack McDowell shares the six keys to a life of significance: Find your calling, learn from your experiences, acquire habits that build character, discover the joy of generosity, build relationships for life, and don't retire. Each chapter contains specific actions that will help readers master the six essentials. These steps are the harvest of Jack's own experiences and they are, he says, "the gifts of a providential God to this seeker after a life with deeper and more lasting meaning." Giving is man's God-ordained purpose. This book will provide encouragement and resources for the journey to a more significant life. It is a personal invitation to discover that there is far more to life than just making a living.

"Daughter, your day has come. you are going to be married today." Imagine being fourteen years old and awakened in the dead of night to hear your father speak those words. Boue couldn't. Yet she was physically forced to take part in a tradition going back to her ancestor's time. So when her daughter, Ophelea matured, no man was going to own her. Boue swore to protect her. And so begins the story of Ophelea. From a small child protected by spells conjured by Kanessian, a powerful medicine woman, to an educated adolescent coveted by her evil witch grandmother, Jolilou, to a mother married to a closet homosexual, Ophelea's life is a rollercoaster ride of betrayals and infidelities, family strife and treacherous friendships. But with her street smarts, cunning intelligence and unique methods of dealing with those who would hurt her, Ophelea's turbulent troubles resolve themselves into one single thought, a mantra she shares with her best friend, Sade - There's more to life than man.

When you're working in the fast lane, it's easy to keep your eye trained on personal performance, profitable deals, and every rung of the corporate ladder. But what happens when your climb to success leads to a dead end? When the coveted office with the prime view and corporate board access not only overpowers everything else that's meaningful—but sabotages your ability to target new opportunities? There's More to Life Than the Corner Office tells the story of Patrick Mitchell, a young, up-and-coming dealmaker with energy and ideas to burn. Patrick is powered by his desire to stake a claim in his own corner office, until a fateful encounter with business icon Al Crafton changes his life. With a remarkable blend of intelligence, creativity, and patience, the older executive walks him through a set of lessons that forces Patrick to examine his life, his failing marriage, and his career choices—and to see new paths to true fulfillment and unique business prospects. There's More to Life Than the Corner Office will show you how to: Get back in the driver's seat: Don't let the status quo direct your career path—only you can tap into the opportunities that can lead to real growth Beware of target fixation: When all your energy is focused on one goal, you can lose sight of obstacles that can sabotage your success Embrace every opportunity: A balanced, well-rounded life leads to a more objective world view, which can show you new avenues of productivity you'd otherwise miss Packed with insightful wisdom and solid methodologies, There's More to Life Than the Corner Office will help you plot your own path to spiritual, physical, mental, and career success. Because when you begin the quest for true fulfillment, you'll be primed to make the most of every moment, every encounter, and every opportunity that comes your way.

The idea of There's More to Life than the Pursuit of Money came in 2010 from Glen Jr.'s decision to leave a promising, lucrative NFL career with the San Francisco 49er's due to a spiritual awakening. According to Glen, God spoke to him. "Glen, I want you to retire from the NFL and go out into the world and spread my word!" As God spoke to my son, He spoke to my heart as well. This life-changing experience with God has definitely put a spirit in our hearts that will not rest! Chapter 7 of our book is titled "Glen Finds Christ at Bama" and really reveals how the Holy Spirit started molding Glen for the path that God was preparing for him. When our adult children team up with Christ to combat sin, we as parents can then claim our victories. Our book covers Glen's relationship with God in Fort Walton Beach, Florida, at Bruner Middle School to Fort Walton High, and on to the University of Alabama under legendary coach Nick Saban. After that life-changing decision, Glen Jr. became an inspirational speaker and joined the United States Army and served four years as an Army Ranger. In this profound correspondence, we wanted to be transparent showing our audience that we're imperfect people living in an imperfect world. We also wanted to show our readers how we submitted our hearts to Jesus Christ! The world tends to worship money, the more we get the more we want. There's More to Life than the Pursuit of Money show's our readers how

Bookmark File PDF Theres More To Life Than This Healing Messages Remarkable Stories And Insight About The Other Side

dangerous money is when used out of context and also shows how God created it for enjoyment. There's More to Life than the Pursuit of Money is unbiased and based on biblical truths that will challenge us humans to look in the mirror and lament for Christ! Glen and I are inviting you to take an honest look at your relationship with Christ and communicate with Him, just like He communicated with us and inspired us to write There's More to Life than the Pursuit of Money!

The story of Buzz Bee, who begins to wonder why everyone in the hive is rushing around, serves as a fable of spiritual enlightenment.

At the age of thirty, just as everything was falling into place for him, Lee Pesky died of brain cancer. For his father, Alan, grief came with the realization that he had lost the chance to love Lee as he was—not as he wanted him to be. Ambitious, successful, and always striving for more, Alan had a hard time relating to a son who struggled with learning disabilities at a time when there was little understanding or help for kids who had them. Their relationship was complicated, and now, Lee was gone. More to Life than More is a memoir of misunderstanding, loss, and learning. After Lee's death, Alan's conception of more crumbles. He launches himself into keeping Lee's memory alive by helping kids in a way he wasn't able to help his son. It was too late to change his relationship with Lee, but he could create something positive and enduring from his loss: Lee Pesky Learning Center, a non-profit in Idaho dedicated to understanding and helping those with learning differences. In 25 years, LPLC has benefited more than 100,000 children and has become a national force for early childhood literacy. And for Alan, it has meant getting to know the son he had misunderstood and lost.

Bill Murchison -- a straight-talking Texan -- surveys the rich variety of ordinary life with the unpretentious wit that has made him one of America's favorite syndicated columnists.

When her mother passed away, author Heta Pandit found herself the owner of four historic houses. All of Pandit's conversations revolve around her four houses: their upkeep, their leaking roofs, their Minton floors, their refurbishments, their stories, and the spirits that inhabit them. In There's more to Life than a House in Goa, she offers a personal history of the houses she owns in Mumbai, Panchgani, and Goa in India. Interwoven with the stories of several generations, this memoir is not just about houses, but it also shares a capsule on social history at a micro level. It provides a reflection of the eccentricities and quirks of the extraordinary community of Parsis, immigrants from Iran, and their adaptation to the social and cultural customs in the land of their adoption. There's more to Life than a House in Goa talks about personal history and recalls family values, remembering the way things were. After all, the stories of the houses are also the stories of the people who inhabit them.

Have you ever asked yourself any of the following questions: Why are we here on earth? Is there really a Supreme Being who created the universe? When we die, do we rot in a grave or is there a heaven? If there is a heaven, how can we communicate with loved ones who've already crossed over? Are we the only life created by God or are there others like us? Have you ever wondered how the supernatural perceptions of psychics, mediums, and channels relate to God? Expect some surprises when reading Is There More To Life Than What We Know? Remember to keep an open mind - you might find yourself getting answers to some of those "what if" questions, although not necessarily the answers you were expecting. For all us who have ever looked into the night sky and wondered if there is more to life than what we know — this book is a must-read!
