The mission of I Love You Still: A Memorial Baby Book is to cherish pregnancy, remember baby, and honor motherhood. Born and raised in Wayzata, Minnesota, Margaret Scofield attended the University of Arizona where she earned her BA in English with a minor in Family Studies and Human Development. In 2016, while taking time off from her career to start a family, Margaret's dear friend lost her daughter to miscarriage. As a new mom herself, Margaret wanted to do more to help. After she tried in vain to find a baby

About this book No more powerful transformation is available to a woman than that of the unhindered birth of her child. As a woman's body opens to the life of her baby, so too is she opened to the rawness and beauty of woman-hood. At the culmination

of an unhindered pregnancy and birth, a woman is left with an increased sense of strength and confidence as a woman and a mother. This often fearful and dreaded event of childbirth is largely misunderstood and shrouded in mystery. The harmful routines and common procedures performed during pregnancy, labor and birth more often than not strip the mother of her ability and right to birth spontaneously and with the joy and love possible. By lessening fear and increasing awareness, a woman is able to come through her journey of natural childbirth as a new and stronger woman and mother. The book Birth Unhindered will help increase confidence, peace and acceptance of this transformative
