Metal pins: try and match the metal on your outfit, including your lapel pin, cufflinks, tie clip, belt, watch and any rings. So either go all gold, or all silver. Bright, colourful lapel pins: these usually work better with a neutral shirt so their contrast can work at its best. Just make sure you don't clash with other colours you might be wearing.

Everything in this Volume is different from Volume I, except for Hidden Mickey Cast Lanyard pins which appear in a new section. This volume covers U.S. Disney theme parks and Cruise Lines from the Spring of 2007 through the first quarter of 2012. New sections include mystery sets, a section on pins issued at both parks, D23, and the Walt Disney Family Museum. The Disney Store, Paris Disneyland, and Tokyo theme parks have also returned. The new guide is full color as was Volume I which covered pins issued from 1930 to Spring 2007. The new guide updates five years worth of new pins filling 160 pages. Each pin has edition size and a value code. The Table of Contents has been expanded for greater ease in finding a pin of interest. It turned out to be a larger book than originally anticipated, but if you loved Volume I you should really like Volume II.

The 6th Edition of Tomart's DISNEYANA Guide to Pin Trading is the first new edition in over two years, and contains many additions and changes. But don't get rid of your Fifth or earlier editions. Many pins will not be repeated. Foreign pins and Disney Auction/Shopping pins have been eliminated to concentrate on US Disney theme parks, Disney Cruise Line, New York World of Disney and other operations. New issue pins for eliminated categories will still be covered in Tomart's DISNEYANA Update magazine, but will not appear in our traditional guide. Values have also been revised to reflect the current market.

This 4th Edition depicts over 14,000 pins from Disney theme parks and Disney Stores around the world, plus pins issued by other Disney business groups and licensees. Included, are pins from Disneyland, Walt Disney World, Tokyo Disneyland and DisneySea, Disneyland Paris,

Disney Stores worldwide, Disney Cruise Lines, Walt Disney Classics, Disney Auctions hosted by eBay, and much more. There are 160 pages in this all color book. Included are locator and value guides, history of Disney Pin Collecting, how to get connected to other Disney Pin Traders and information on how to buy and sell. All previous editions of this guide were complete sellouts.

Collecting Disneyana is exactly the book its title suggests a book all about the fun of collecting objects related to Walt Disney characters and movies. The book presents extensive examples of very early Disneyana in a chapter titled The Golden Years specializing in Disney s fab five : early Mickey Mouse, Minnie Mouse, Donald Duck, Goofy, and Pluto. Later chapters include The Feature Films, highlighting collectibles from Bambi, Pinocchio, Snow White and the Seven Dwarfs, Dumbo, and a host of other Disney films; and The Television Years highlights collectibles from the 1950s and 1960s including The Mickey Mouse Club and Disney s Wonderful World of Color. Finally, the book brings collectors right up to date with an informative chapter on Recent and Future Collectibles which showcases collectibles from Winnie the Pooh to Beauty and the Beast and also highlights the current Disneyana craze of pin collecting. Advanced collectors of Disneyana will appreciate some never before published photos of extremely rare Disneyana, and newer collectors will be excited about the substantial collecting tips offered. This impressive volume contains over 900 photos with reliable values and is an absolute must for any fan of Disney collecting! 2008 values.

Gorgeous never-before-published photographs and fascinating personal memories celebrate the half-a-century career of Disney Legend Ub Iwerks, a self-taught animator who became the first to animate Mickey and Minnie Mouse and an exceptional draftsman, prolific innovator, and all-around technical genius who directly collaborated with Walt Disney to create some of the most loved moments throughout film and theme parks. Even before the creation of Mickey, Walt established a reputation as a technical leader in Hollywood and frequently relied on the counsel, expertise, ingenuity, and creativity of a kindred spirit, lifelong friend, and fellow virtuoso: Ub Iwerks. Up till now, Ub and his many technical inventions and techniques have been largely unknown by the general public. His illustrious career consisted of dozens of innovative contributions, large and small, to both animated and live-action motion pictures, as well as the fields of optics, film processes, and special effects. He was also the major force behind the design of special cameras, projectors, electronics, and audio for theme park projects, and much more. The high standard set by Walt and Ub continues to inspire artists and technicians within The Walt Disney Company as they explore new avenues of quality entertainment. Here is a one-of-a-kind appreciation to an extraordinary man and an outstanding career, a record of his many inventions and accomplishments, and a tribute from a grateful son to his remarkable father.

Neverlasting Miracles is an exquisite career retrospective, presenting the best works of artist Todd Schorr. One of the leading figures in the world of contemporary surrealism, Schorr has continually and systematically set the bar ever higher in his quest to bring classic old master

painting technique to his pop-culture-infused subject matter. This hefty volume collects over 30 years of Todd Schorr's paintings with stunning reproductions, including many close-up details of his large and intricate pieces. In addition to Schorr's previously celebrated paintings, *Neverlasting Miracles* contains 87 new pieces of artwork that have not been seen before. There are 33 new paintings, as well as drawings, color studies, and images of his large sculptural work. The book also presents several concept and sketchbook drawings and watercolors, plus extra early pieces included in a biographical timeline. Viewers will have hours of enchantment as they pore over Schorr's impeccably rendered canvases. His outrageous vision is the culmination of formative years surrounded by the atomic and space ages; by Saturday morning cartoon, cowboy, and puppet shows; racks of comic books; and an early fascination with paleoanthropology fueled by his parents' subscription to *National Geographic* magazine and frequent trips to New York's American Museum of Natural History. The compulsion to reinvent and distill these images into scenarios pulled from the deepest reaches of imagination led to a formal art education and a lifetime of painting. Todd Schorr's works have been shown in museum retrospectives and hang in the art collections of Leonardo DiCaprio, Patricia Arquette, and Mark Parker, CEO of Nike."
