I'll Be Home for Christmas Movies is the unofficial fan guide to Hallmark holiday movies, from the creators of the wildly popular Deck the Hallmark podcast. Hosts and best friends Brandon Gray, Daniel "Panda" Pandolph, and Dan Thompson share reviews that make you feel like you're watching these holiday favorites with your best buds, discussing warm Christmas feelings and absolutely bonkers plot twists with equal enthusiasm. And thanks to original interviews with the movies' stars and creators, fans will find out insider information on the making of the movies and learn answers to pressing questions: Why do the lead characters keep coming down with amnesia? Why do so many female stock brokers and lawyers find themselves forced to plan parties? And do all of the stories take place within something called the "Keniverse"? To complete the perfect Christmas package, the book is also chock-full of ideas for hosting your own holiday movie-watching party, complete with delicious recipes. Featuring dozens of full-color photos throughout, I'll Be Home for Christmas Movies is as cozy and sparkly as the movies themselves.

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS! The fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackelford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackelford, Time for Me to Come Home is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. WHEN GOD WINKS is a fascinating bridge to self-discovery.
