Unit 3 Activity: Shakespearean Drama - Hamlet Name: quality/ close to the actors faces camera: focus and angles the camera was stable and focused well for both of the videos the first video is close to the actors and second is farther away dialogue: word choice they used words that the book used despite the time the video was filmed first one had different dialogue due to todays world and how ...

"The Language Toolkit for New Zealand 4 encourages students to explore and practise how language works in a variety of contexts and for a variety of audiences. The full-colour workbooks incorporate New Zealand and international references that combine to give students a wider study of literature: Different text types - including literary, Shakespearean, information, persuasive, visual, oral and multimodal texts - form the basis of each unit and provide a context for the development of language skills; Each comprehensive unit integrates the development of language and literacy skills - including grammar, spelling, punctuation and vocabulary - across the key learning areas: Visual literacy elements are incorporated to engage today's students. These full-colour workbooks draw on a wide range of New Zealand references, articles, topics and contexts."--Publisher description.

Language Toolkit 4 is a workbook for middle secondary students to support the development of language and literacy skills through various communication modes. Students will develop the skills they need to read, view, listen and speak, and to write and create their own texts in a variety of contexts and for a variety of audiences and purposes.With a strong focus on visual grammar and multimodal texts, the workbook's units are organised around different text types that provide a context for the development of language skills. ▯ Grammatical rules are clearly and simply explained ▯ Comprehension, grammar, spelling, punctuation and vocabulary exercises build language and literacy skills ▯ Spelling tests and dictionary exercises encourage vocabulary development confidence ▯ Revision exercises allow students to review their progress and strengthen their understanding and confidence from one unit to the next.

Although much has been written on how the drama elements of the English curriculum might be taught in schools, there is less guidance available for teachers who regard drama not as an adjunct of English but as an arts subject in its own right. In this volume, David Hornbrook and a team of experienced drama specialists show how the subject of drama may be defined and taught. Drawing on literature, visual art, music and dance as well as the rich and varied traditions of drama itself, they map out an eclectic subject curriculum for students of all ages. Opening up the field in new and exciting ways, the book embraces the widest possible range of dramatic knowledge and skills, from the Natyashastra of ancient India to contemporary classroom improvisation. The book is divided into three sections: The teaching and learning of drama: ideas about interculturalism, creativity and craft - key concepts informing the drama curriculum - are interrogated and re-theorised for the classroom. Making and performing drama in school: the fundamental processes of reading and writing plays for performance are explored, along with the potential of dance to enhance and extend students' experience of dramatic performance. Watching and understanding drama: ensuring the curriculum is appropriately balanced between the production and reception of drama, this last section emphasises the role of students as audience - for both live and electronic performances - and the development of a dramatic vocabulary.
