A result of years of research by a Swedish knitwear designer who explored patterns of ornamentation found on Viking artifacts, an adventure in Nordic forms features 14 knitting projects, in which richly intricate knots and braids are adapted. 3,000 first printing.

In Viking Patterns for Knitting, ancient Nordic ornamentation has been translated into an exquisite array of designs for knitters. Featuring 14 projects, clear instructions and charts, inspiring colour photos, and 60 Viking motifs.

Traditional knot and interlace patterns, combined to form uniquely striking contemporary designs. Ever since her ground-breaking book Viking Patterns for Knitting was published, Elsebeth Lavold has been recognized as one of the world's leading experts on cabling. It was within the pages of her international bestseller—described as “an indispensable milestone in 20th century knitting literature”—that Lavold first introduced the world to her own innovation: using lifted increases to create interlace patterns, and bringing new life to the ornamental heritage of the Vikings as adornment on modern knitwear. In the years since, Lavold has sought new ideas and “design cousins” to Viking patterns to explore with her needles, and has undertaken a fascinating journey through archives, museums, libraries, and the internet. In more than a decade of continued research, she has studied cultures from all over the globe in search of similar types of ornamental expression, creating the foundation for this exciting new book: a glorious collection rich in imagery, history, patterns, and designs.

Dozens of different sources of inspiration, catalogued and placed within their cultural and historical context, from all around the world. Complete, step-by-step instructions for an abundance of fresh and stunningly beautiful knit designs, presented in the book with full-color photographs. Lavold's own painstaking analysis of a huge number of interlace motif types, displayed in both swatch and chart form, to allow you to compose your own patterns based on her research.

This compilation features more than 175 dynamic, royalty-free motifs in a wide range of styles. Derived from the metalwork, woodwork, textiles, carvings, and ceramics of the Viking homelands of Norway, Denmark, and Sweden, they include sinuously intertwined patterns, mythological animals, dragon-slaying heroes on horseback, and many other striking images.

Describes the different techniques used in creating wire jewelry and provides instructions for seventy projects

Artists, illustrators, designers, and craftspeople in search of exceptionally bold and inventive motifs will find them in this versatile treasury brimming with 125 royalty-free designs. Taken from authentic Celtic and Old Norse sources, they include an amazing array of birds, human figures, and mythological creatures, all ingeniously woven into an intricate network of spirals and interlacings. Meticulously adapted from artwork that graced ancient rune stones and religious symbols, furniture, manuscripts, bronze mirrors, sword hilts, cooking utensils, and other artifacts, the illustrations depict a crucifix; decorative creatures that adorned the pages of the Lindisfarne Gospels; interwoven designs from stone crosses of Ireland, Scotland, and Cornwall; and many other designs and motifs. Convenient and inexpensive, this collection offers inspiration and a wealth of immediately usable dramatic ornamentation rich in character and distinctive in content.

Covering the basics of wire knitting, this manual presents a range of 30 innovative and beautiful projects, from simple to more complex, with clear directions and illustrations. Appealing to knitters, beadworkers, wireworkers, and jewelry makers, the guide offers a complete description of tools and techniques, embellishing with beads, and making finishes for the project. A history of this unusual technique is also explored, along with tips for independent projects.

Gorgeous Scandinavian knitwear is within reach for knitters of all levels with this collection of timeless patterns and essential techniques. Kristin Drysdale, founder of Scandiwork, has taught countless knitters the art of colorwork with her innovative and approachable methods. If you've ever felt intimidated by ornate, multicolor patterns, Kristin's encouraging guidance, step-by-step photos, and foolproof instructions will make you fall in love with Nordic knitting. Inspired by Kristin's Scandinavian heritage, these designs combine traditional patterns and motifs with stylish, easy-to-wear shapes. Knitting with multiple yarns creates a warmer knit fabric for high-quality garments and accessories to gift or wear all year long. First-time colorwork knitters will be encouraged by how easy and fun Kristin makes the process of knitting gorgeous yet doable yoke sweaters, mittens, and hats. More advanced knitters will love creating ornate slippers, mittens, and sweaters with

beautiful Scandinavian details. With a wide range of sizes for adults as well as patterns for little ones, the whole family can enjoy the Scandinavian look. This is more than a pattern collection?it's a trusted resource you'll return to season after season.

A collection of 30 knitting patterns inspired by popular science fiction and fantasy culture includes designs in the style of such iconic articles as Lieutenant Uhura's minidress, Hobbit slippers, and Hermione Granger's secret beaded bag.

Norwegian Handknits collects 30 patterns for folk mittens, socks, scarves, hats, wristers, handbags, knapsacks, and a sweater or two inspired by traditional knits housed in the Vesterheim Museum in Decorah, Iowa. An introduction reflecting on the history of Norwegian-style knitting and the stories behind the handknits that inspired the patterns will be included. Sidebars include classic Norwegian cooking recipes and historical knitting photos.
