It satirises the bright young things, the rich young people partying in London after World War I, and the press which fed on their doings. Vile Bodies portrays shallow people who live life on the surface, a timeless subject that’s renewed every few decades by writers like Joan Didion, Bret Easton Ellis and Ottessa Moshfegh. Vile Bodies (1930) was Evelyn Waugh’s second novel, published as a follow-up to the success of his first – Decline and Fall (1928). It uses the same formula of presenting a farcical and deeply satirical portrait of the 1920s and the Wild Young Things who became the upper-class celebrities of the decade. It also features other aspects of modern society which help to fuel the culture of fashionable excess – tabloid journalism, artificially cultivated publicity, and the cinema.

"A wickedly witty and iridescent novel" (Time) from one of England's greatest satirists takes aim at the generation of Bright Young Things that dominated London high society in the 1920s. In the years following the First World War a new generation emerged, wistful and vulnerable beneath the glitter. The Bright Young Things of 1920s London, with their paradoxical mix of innocence and sophistication, exercised their inventive minds and vile bodies in every kind of capricious escapade. In these pages a vivid assortment of characters, among them the struggling writer Adam Fenwick-Symes and the glamorous, aristocratic Nina Blount, hunt fast and furiously for ever greater sensations and the hedonistic fulfillment of their desires. "A hilarious and still timely tale of emerging Africa and declining England" (Time), Evelyn Waugh's third novel helped to establish his reputation as a mater satirist. "We are Progress and the New Age. Nothing can stand in our way." When Oxford-educated Emperor Seth succeeds to the throne of the African state of Azania, he has a tough job on his hands. His subjects are ill-informed and unruly, and corruption, double-dealing, and bloodshed are rife. With the aid of Minister of Modernization Basil Seal, Seth plans to introduce his people to the civilized ways of the West--but will it be as simple as that? Profound hilarity ensues from the issuance of homemade currency, the staging of a "Birth Control Gala," the rightful ruler's demise at his own rather long and tiring coronation ceremonies, and a good deal more mischief.

"The very model of the modern paranoid novel" (New York Times) and an ambitious work of semi-autobiographical fiction from one of England's greatest novelists. Gilbert Pinfold is a reclusive Catholic novelist suffering from acute inertia. In an attempt to defeat insomnia he has been imbibing an unappetizing cocktail of bromide, chloral, and creme de menthe. He books a passage on the SS Caliban and, as it cruises towards Ceylon, rapidly slips into madness. Almost as soon as the gangplank lifts, Pinfold hears sounds coming out of the ceiling of his cabin: wild jazz bands, barking dogs, and loud revival meetings. He is convinced that an erratic public-address system is letting him hear everything that goes on aboard ship . . . until instead of just sounds he hears voices. And not just any voices. These voices are talking, in the most frighteningly intimate way, about him!

A "lavishly entertaining" (Publishers Weekly) distillation of Waugh's genius--abundant evidence that one of the twentieth century's most admired and enjoyed English novelists was also a master of the short form. Evelyn Waugh's short fiction reveals in miniaturized perfection the elements that made him the greatest satirist of the twentieth century. The stories collected here range from delightfully barbed portraits of the British upper classes to an alternative ending to Waugh's novel A Handful of Dust; from a "missing chapter" in the life of Charles Ryder, the nostalgic hero of Brideshead Revisited, to a plot-packed morality tale that Waugh composed at a very tender age; from an epistolary lark in the voice of "a young lady of leisure" to a darkly comic tale of scandal in a remote (and imaginary) African outpost.

Brideshead Revisited, The Sacred and Profane Memories of Captain Charles Ryder is a novel by English writer Evelyn Waugh, the life and romances of the protagonist Charles Ryder, most especially his friendship with the Flytes, a family of wealthy English Catholics who live in a palatial mansion called Brideshead Castle. Ryder has relationships with two of the Flytes: Sebastian and Julia. The novel explores themes including nostalgia for the age of English aristocracy, Catholicism, and the nearly overt homosexuality of Sebastian Flyte and 's coterie at Oxford University. A faithful and well-received television adaptation of the novel was produced in an 11-part miniseries by Granada Television in 1981.
