Bookseller and New-Yorker-to-the-bone, Bernie Rhodenbarr rarely ventures out of Manhattan, but he's excited about the romantic getaway he has planned for himself and current lady love Lettice at the Cuttleford House, a remote upstate b&b. Unfortunately, Lettice has a prior engagement—she's getting married . . . and not to Bernie—so he decides to take best buddy Carolyn instead. A restful respite from the big city's bustle would be too good to waste. Besides, there's a very valuable first edition shelved in the Cuttleford's library that Bernie's just itching to get his hands on. Did we neglect to mention that Bernie's a burglar? But first he's got to get around a very dead body on the library floor. The plot's thickened by an isolating snowstorm, downed phone lines, the surprise arrival of Lettice and her reprehensible new hubby, and a steadily increasing corpse count. And it's Bernie who'll have to figure out whodunit . . . or die.

Trapped in cryo-sleep for two centuries, Auri is a girl out of time and out of her depth. But she could be the catalyst that starts a war millions of years in the making, and Tyler's squad of losers, discipline cases, and misfits might just be the last hope for the entire galaxy. NOBODY PANIC.

In this runaway New York Times bestseller, a harrowing near-death experience brings together an English teacher and her student as they struggle to survive on a desert island. Sixteen-year-old T.J. Callahan has no desire to go anywhere. With his cancer in remission, all he wants is to get back to his normal life. But his parents insist that he spend the summer catching up on the school he missed while he was sick. Anna Emerson is a thirty-year-old English teacher who has been worn down by the cold Chicago winters and a relationship that 's going nowhere. To break up the monotony of everyday life, she jumps at the chance to spend the summer on a tropical island tutoring T.J. Anna and T.J. board a private plane headed to the Callahans ' summer home, but as they fly over the Maldives ' twelve hundred islands, the unthinkable happens: their plane crashes in shark-infested waters. They make it to shore, but soon discover they 're stranded on an uninhabited island. At first, their only thought is survival. But as the days turn to weeks, and then months, and as birthdays pass, the castaways must brave violent tropical storms, the many dangers lurking in the sea, and the worst threat of all—the possibility that T.J. 's cancer could return. With only each other for love and support, these two lost souls must come to terms with their situation and find companionship in one another in the moments they need it most.

' Sad, funny, wise and unblinkingly honest, this is truly wonderful. ' Daily Mail ' I like the smell of pines and the aroma of freshly washed laundry. I like the rattle of hail on windowpanes and the texture of volcanic rock. I like the light in the sky when the sun has gone down. ' Cesare is an unlikely hero. As he says himself, ' I am seventy-seven years old, and for seventy-two years and one hundred and eleven days I threw my life down the toilet... ' Is it too late for him to rediscover his passion for love and life? Already an international bestseller, The Temptation to Be Happy is a coming-of-age story like no other. 'Immensely charming... Uplifting and very much on the side of life.' Mail on Sunday

I should have died.I should have been forgotten.But I didn't, and I wasn't.Living the life most women only dream about, I was madly in love with my soulmate-Asher Valentine-amazing husband, loving father, and rock's favorite kick-ass frontman. A man who loved me every day, in every way, since we first met as teens. We were blessed with a beautiful daughter who was the light of our life. My all-female rock band was tearing up the charts.Then tragedy struck, and I lost it all.Now all I have is a stack of journals, an antique key, and a big black void where my memories should be.Used to be.And I have him-this man with wild hair, tattoos from head to toe, a soft voice, and an even softer touch that gives me butterflies. He's clearly hopelessly in love with his wife.I'm told that's me.But that wife is gone, and she took everything they once had, leaving me in her place. A broken replacement. A new version that doesn't quite fit.I'm slowly falling in love with him, but will he ever truly love me? Or will he forever be in love with her, the phantom woman who haunts us both? Asher can be read at a single book.
