A gripping literary thriller and smash bestseller that has taken Italy, France, Germany and the UK by storm. Six severed arms are discovered, arranged in a mysterious circle and buried in a clearing in the woods. Five of them appear to belong to missing girls between the ages of eight and eighteen. The sixth is yet to be identified. Worse still, the girls' bodies, alive or dead, are nowhere to be found. Lead investigators Mila Vasquez, a celebrated profiler, and Goran Gavila, an eerily prescient criminologist, dive into the case. They're confident they've got the right suspect in their sights until they discover no link between him and any of the kidnappings except the first. The evidence in the case of the second missing child points in a vastly different direction, creating more questions than it answers. Vasquez and Gavila begin to wonder if they've been brought in to take the fall in a near-hopeless case. Is it all coincidence? Or is a copycat criminal at work? Obsessed with a case that becomes more tangled and intense as they unravel the layers of evil, Gavila and Vasquez find that their lives are increasingly in each other's hands. THE WHISPERER, as sensational a bestseller in Europe as the Stieg Larsson novels, is that rare creation: a thought-provoking, intelligent thriller that is also utterly unputdownable.

In this photographic history, expert photographer Manrico Martella covers the entire history of world rallying through his lens; from the early '70s to today. Martella covered this great sport for 40 years, constantly searching for the right shot. As he described it, his goal was "catapulting the reader right into the heart of Kenya and its sand and unlimited sky; in the midst of Sweden's ice or through the damp British forests." The most fabulous and victorious cars and the greatest drivers never got away from his eye, and now they're on display in Rallies, with text by Emanuele Sanfront, sports journalist, '60s and '70s driver and navigator.

From the #1 New York Times bestselling author Jessica Sorensen comes a story of change, hope, and unbreakable vows. The day Ella has waited for is just around the corner. It's the day she'll marry Micha, the love of her life, the light that guided her out of the darkness. It looks like it will be the perfect Christmas-until an unexpected package arrives with a harsh reminder of Ella's past. Suddenly Ella doesn't feel as confident about her future. Can she really have a "happily-ever-after" if she's never even seen one? Micha will stand by Ella no matter what she's going through-though he worries that she might leave him standing at the altar again. When he's offered a once-in-a-lifetime chance to tour with his favorite bands for three months, Micha knows he can't leave Ella behind. But can he ask her to uproot her life to join him on the road? Now Ella and Micha must find a way to balance their fears, their dreams, and their love . . . if they ever want to hear wedding bells.

PRIMO LIBRO DI UNA TRILOGIA I numerosi personaggi all'interno dell'opera offrono al lettore una vasta gamma di incroci emozionali riguardo ad amore, sesso, tradimento, paura, ignoranza, dolore, omicidio e sadismo; spunti sulla filosofia, la poesia, la politica, la religione, la massoneria. Incorniciati da verità storiche come razzismo, antisemitismo, genocidio, esoterismo, satanismo, parapsicologia, prigionia e totale privazione dei diritti umani. Il racconto avrà il suo inizio nel 1944, anno tragico della Seconda guerra mondiale, per poi proseguire con una narrazione fluttuante avanti ed indietro nel tempo fino al 1978/79: periodo della guerra fredda. Personaggi lugubri e misteriosi, assassini, agenti segreti, spie, uomini del clero e politici che incontrerà durante le sue ricerche racconteranno di un'umanità asettica, indifferente, egoista verso la storia, interessata soltanto all'auto distruzione. Con l'aiuto di un agente segreto appartenente al servizio segreto israelita del Mossad entrerà nel cuore di una setta, le cui radici ideologiche appartengono alla filosofia nazista: quello che scoprirà la traghetterà ad un appuntamento con il destino che smembrerà le sue radici, levandole la famiglia ed ogni certezza.
