the opening of Shanghai Disneyland in 2016--and everything in between--finally, the world's greatest storyteller has their story told! In addition to reliving Disney's most memorable moments, there are numerous interesting and lesser-known stories that will expand your Disney knowledge and give you a fresh perspective on your favorite Disney topic. The Disney Story is more than just a timeline of Disney events and a collection of interesting stories. It's a vehicle and guidebook that can be used to travel back in time and read about your favorite Disney subjects via an interactive bibliography on the book's companion website. Disney's ninety-year journey is all here in one volume, complete with informative stories and tidbits about the theme parks, movies, and Walt himself. Revel in the remarkable innovations and legendary Disney magic that make the company the premiere name in entertainment today.

A portrait of the private life and public career of Walt Disney ranges from his deprived youth, to his contributions to the art of animation, to his visionary creation of the first synergistic entertainment empire, to his reclusive and lonely private world.

Celebrate movie history and the world of Disney, from the animations and live action movies to the magical Disney parks and attractions, with The Disney Book. Go behind-the-scenes of Disney's best-loved animated movies and find out how they were made, follow Disney's entire history using the timeline, and marvel at beautiful concept art and story sketches. Perfect for Disney fans who want to know everything about the magical Disney world, The Disney Book delves into their incredible archives and lets readers explore classic Disney animated and live action movies, wonder at fascinating Disney collectibles and even see original story sketches from Disney films. The ideal gift for Disney fans and animation and movie buffs, The Disney Book also includes 3 original movie frames from Disney Pixar's Brave. Copyright © 2015 Disney.

The Walt Disney World Resort near Orlando, Florida is one of the world's most famous vacation destinations. This iconic resort is now located in what once was thousands of acres of swamp and marshland. Through spy-like moves and innovative strategies, Walt Disney and his cadre of creative leaders turned this massive swamp land into today's Disney World. This book shares the amazing behind the scenes story of how Disney's Florida resort, code-named Project Future, rose from the marshes of Central Florida to become one of the world's most popular theme park resorts.
