(Bloomberg Opinion) -- No one warned us about the Wyoming wind. With both hands wrapped tight on the wheel, I'm fighting gusts that are jerking and shaking the Winnebago, rattling everything, including our nerves. I slow down - 45, 40, 35 - but we're still getting pushed around. A thumping starts on the roof. Did something come loose? We're too close to our camping spot for the night ...

In Book Three of the Prairie Hearts series by USA Today bestselling author Caroline Fyffe, two broken hearts just might find a second chance at love. When widower Charlie Rose shows up looking for work at the struggling Cotton Ranch, no one knows he's secretly trying to outrun trouble--and he intends to keep it that way. He wants to start over fresh in the small town of Logan Meadows, where his blind daughter can grow up safe...and where danger can't find him. Feisty and independent, Nell Page is determined to protect the Cotton Ranch, despite threats from the bank...and the mysterious stranger lurking on the ranch's borders. In spite of her better judgment, Nell instantly feels drawn to handsome, dependable Charlie. The more they ride together through the beautiful Wyoming mountains and plains, the more their feelings grow into a love that could be strong enough to last forever. But will Charlie's past catch up with him and dash their hopes for a future together?

After spending eight years in prison for a crime he didn't commit, Thomas Donovan returns home to the windswept prairies of Wyoming hoping to find a second chance at life and only to discover a second chance at love.

USA Today bestselling author Caroline Fyffe invites you back to Logan Meadows for a rousing town competition, a scandalous past that refuses to stay hidden, and a love that won't be denied in Prairie Hearts Novel Book Seven, *Winter Winds of Wyoming*. Wyoming Territory, December 1883 Being shanghaied and imprisoned won't keep Dalton Babcock away from the town he's come to love and hopes to make his home. But fate finds him broke, jobless, and worst of all, the woman who has awakened his heart is the only woman he shouldn't court. His future does not look promising. After losing their father, Adaline and Courtney Costner have more problems than finding their footing in a town of strangers. For one sister, a disreputable past comes calling. The other finds herself invisible in the eyes of the man she loves. Will true love prevail in a town of busy-body helpers and good-hearted scheming? Return to Logan Meadows in this yuletide adventure for a double dose of romance and suspense! Enjoy the Western Historical Romance Prairie Hearts Series in order. Where the Wind Blows Before the Larkspur Blooms West Winds of Wyoming Under a Falling Star Whispers on the Wind Where Wind Meets Wave Winter Winds of Wyoming Watch for more Prairie Hearts novels to come...

Cowboy Chase Logan has been in plenty of touchy situations, but pretending to be the husband of a recent widow and father to her adopted children is the most difficult job he's had yet. Original.

Fresh out of a Pennsylvania penitentiary armed with a marketing degree, Kate Neilson heads to Wyoming anticipating an anonymous new beginning as a guest-ranch employee. A typical twenty-five-year-old woman might be looking to lasso a cowboy, but her only desire is to get on with life on the outside--despite her growing interest in the ranch owner. When she discovers a violent ex-lover followed her west, she fears the past she hoped to hide will imprison her once again.

A straitlaced bookseller and a rowdy trail guide fight their ill-suited attraction in Book Five of the Prairie Hearts series by USA Today bestselling author Caroline Fyffe. Wyoming Territory, October 1883 Tabitha Canterbury came to Logan Meadows with one goal: to open the bookshop she's always dreamed of having. In a town full of illiterate cowboys, though, making the Storybook Lodge a success is easier said than done. And things get more complicated when the saloon next door gets a new co-owner and Tabitha finds herself falling for the wrong sort of man... After a lifetime guiding settlers across the prairie, Hunter Wade isn't looking to stay put in Logan Meadows. But as a partner in the Bright Nugget saloon, he's determined to turn a profit--and if that puts him in competition with Miss Hoity-Toity Canterbury, that's fine. Even if she is beautiful, and clever, and always ready with a witty retort. Can these two stubborn souls come together--or will pride keep them apart?

Read PDF West Winds Of Wyoming A Prairie Hearts Novel Book 3

"Billionaire Wilderness offers an unprecedented look inside the world of the ultra-wealthy and their relationship to the natural world, showing how the ultra-rich use nature to resolve key predicaments in their lives. Justin Farrell immerses himself in Teton County, Wyoming-both the richest county in the United States and the county with the nation's highest level of income inequality-to investigate interconnected questions about money, nature, and community in the twenty-first century. Farrell draws on three years of in-depth interviews with "ordinary" millionaires and the world's wealthiest billionaires, four years of in-person observation in the community, and original quantitative data to provide comprehensive and unique analytical insight on the ultra-wealthy. He also interviewed low-income workers who could speak to their experiences as employees for and members of the community with these wealthy people. He finds that the wealthy leverage nature to climb even higher on the socioeconomic ladder, and they use their engagement with nature and rural people as a way of creating more virtuous and deserving versions of themselves. Billionaire Wilderness demonstrates that our contemporary understanding of the relationship between the ultra-wealthy and the environment is empirically shallow, and our reliance on reports of national economic trends distances us from the real experiences of these people and their local communities"--

When Ardith Merritt promised her dying step-sister she'd take her niece and nephews to their father in Wyoming, she knew it meant confronting Baird Northcross, the man who, on the eve of their wedding, jilted her and eloped with her sister. Exiled to a ranch in Wyoming by his aristocratic British family, Baird Northcross is a failure, a scoundrel, and a cad. But the rugged beauty of the land, the unexpected satisfaction of hard work, and the presence of a woman like no other awakens the possibility of happiness... if only he can keep from destroying this last, precious chance to win Ardith's love.

REVIEWS: "...a beautiful tale of redemption and reclaiming lost love. There is a power to Elizabeth Grayson's story that will move readers." ~Kathe Robin, Romantic Times "Each character suffers disappointment and loss--but in the end, they come together, learning what it means to be a family."
