THIS IS BOOK 5 IN AN 8-PART EPISODIC SERIES. Each book completes a story arc, but it includes a series cliffhanger that connects Books 1-4; And then Books 5-8. IN BOOK 5 OF THE TOTLANDIA SERIES: When Bettina Cross is faced with having to share the leadership of her beloved Pacific Heights Moms and Tots Club with her sister-in-law, Lorna Connaught, she plays dirty—only to discover that her actions have aligned her two true enemies: Kimberley Savitch, and Kelly Overton. Bettina's problems are compounded when Daniel Warwick, a Department of Justice prosecutor, wants to use her as bait to trap her soon-to-be ex, Art, into coming home and answering to long list of fraud charges. The fact that Art has scammed most of San Francisco's wealthiest families has Bettina fighting desperately to preserve her most priceless possession: her social standing. When Brady lines up venture capital funding for Life of Pie, Ally must tamp down his gung-ho power ranger tendencies, while at the same time shore up Jillian's insecurities that her pies won't live up to Brady's promises. And now that the once homeless Reggie is teaching the complete works of Shakespeare to UC Berkeley undergrads, Jade struggles with her fear that she's competing for his affections with his younger, more beautiful students. Finally, an unexpected tragedy puts Jillian in the middle of her ex's life again—with consequences that will affect her future and those of her twins—forever.

Emplumada is Lorna Dee Cervantes's first book, a collection of poems remarkable for their surface clarity, precision of image, and emotional urgency. Rooted in her Chicana heritage, these poems illuminate the American experience of the last quarter century and, at a time when much of what is merely fashionable in American poetry is recondite and exclusive, Cervantes has the ability to speak to and for a large audience.

In this, the fifth major collection of poetry from the iconic Chicana–Native American poet Lorna Dee Cervantes, each poem is intellectually insightful, linguistically playful, politically intense, and sensually aflame. Sueño, which engages readers on half a dozen levels at once, lives up to the author's reputation for deft word play.

An alphabetized volume on women writers, major titles, movements, genres from medieval times to the present.

Dare to dream. Dare to fly higher. Dare to trust...dare to inspire! Dare to do what hasn't been done. Dare to be second to none! This inspirational picture book encourages children everywhere to dare to dream big, to help others, and speak out for what is right, but also take time for simple joys and to be comfortable in their own skin. Oh the Places You'll Go! for toddlers, Dare to Dream Big is full of messages about empowerment, encouragement, and the joy of daring to be the best person you can be. "A concise and rhythmic provocation to dreaming and daring."—Publishers Weekly

In this charming fiction debut, a young woman moves to Manhattan in search of romance and excitement—only to find that her apartment is haunted by the ghost of a cantankerous Beat Generation writer in need of a rather huge favor. For Eve Weldon, moving to Greenwich Village is a dream come true. She's following in the bohemian footsteps of her mother, who lived there during the early sixties among a lively community of Beat artists and writers. But when Eve arrives, the only scribe she meets is a grumpy ghost named Donald, and the only writing she manages to do is for chirpy segments on a morning news program, Smell the Coffee. The hypercompetitive network environment is a far cry from the genial camaraderie of her mother's literary scene, and Eve begins to wonder if the world she sought has faded from existence. But as she struggles to balance her new job, demands from Donald to help him complete his life's work, a budding friendship with a legendary fashion designer, and a search for clues to her mother's past, Eve begins to realize that community comes in many forms—and that the true magic of the Village is very much alive, though it may reveal itself in surprising ways.
