Moved My Cheese? is a simple pa...

With over 2.5 million copies sold worldwide, *Who Moved My Cheese?* is a simple parable that reveals profound truths. It is the amusing and enlightening story of four characters who live in a maze and look for cheese to nourish them and make them happy. Cheese is a metaphor for what you want to have in life, for example a good job, a loving relationship, money or possessions, health or spiritual peace of mind. The maze is where you look for what you want, perhaps the organisation you work in, or the family or community you live in. The problem is that the cheese keeps moving. In the story, the characters are faced with unexpected

change in their search for the cheese. One of them eventually deals with change successfully and writes what he has learned on the maze walls for you to discover. You'll learn how to anticipate, adapt to and enjoy change and be ready to change quickly whenever you need to. Discover the secret of the writing on the wall for yourself and enjoy less stress and more success in your work and life.

Written for all ages, this story takes less than an hour to read, but its unique insights will last a lifetime. Spencer Johnson, MD, is one of the world's leading authors of inspirational writing. He has written many New York Times bestsellers, including the worldwide phenomenon *Who Moved My Cheese?* and, with Kenneth Blanchard, *The One Minute Manager*. His works have become cultural touchstones and are available in 40 languages.

The author of *Negotiating the Impossible* “tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable” (Daniel H. Pink, New York Times–bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape

the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that others create.” —Stephen R. Covey, New York Times- bestselling author of *The 7 Habits of Highly Effective People* “A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book.” —Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures “This book’s message is both profound and durable. Malhotra has left the maze, and so can we.” —Foreword Reviews

them, and you run the risk of becoming another statistic. It's become almost cliché: 8 out of every 10 new ventures fail. Of the ones that succeed, how many truly thrive-for the long run? And of those that thrive, how many continually overcome their growth hurdles ... and ultimately scale, with meaning, purpose, and profitability? The answer, sadly, is not many. Author Lex Sisney is on a mission to change that picture. After more than a decade spent leading and coaching high-growth technology companies, Lex discovered that the companies that thrive do so in accordance with 6 Laws - universal principles that govern the success or failure of every individual, team, and organization.

readers relief for an evergreen problem: unanticipated and unwelcome change. Now its long-awaited sequel digs deeper, to show how readers can adapt their beliefs and achieve better results in any field. Johnson's theme is that all of our accomplishments are due to our beliefs: whether we're confident or insecure, cynical or positive, open-minded or inflexible. But it's difficult to change your beliefs - and with them, your outcomes. Find out how Hem, Haw, and the other characters from Who Moved My Cheese? deal with this challenge.

Feed, there was Robert Cormier's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. “An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do.”—*The New York Times Book Review*
