My personal spiritual journey leading to valuable life lessons and creating easy steps to improving one's self-worth and living according to their own agenda.

Wanting desperately to be behind the wheel, Luke Fulmer counts down the days to his sixteenth birthday, when he can finally get his license. Unfortunately, the first thing he does with it is "borrow" his neighbor's car. When he is pulled over and found in possession of an air pistol, a ski mask, a stolen TV, and a bag of pot, the unforgiving local magistrate takes scissors to his license and vows

to lock him up if he ever stands in front of her again. So with an absent father and a mother descending into alcoholism, he moves in with his older brother, Nick, an easygoing ex-con who wants to steer Luke onto the straight and narrow. In the summer that follows, Luke contends with a kleptomaniac girlfriend, a duffel bag full of cocaine, and the realization that he must save his family from themselves, even as he plots to beat a path out of town. In his hilarious, unforgettable debut -- with everything from stock car racing to drug dealing -- Dallas Hudgens brilliantly evokes Southern culture in a tale that is raucous and wrenching, funny and wise.

Technically this is a novel. About a guy and his punk band. Who start out shitty, but persevere, and eventually become pretty popular. If I mentioned that Ben Foster is better known as Ben Weasel from Screeching Weasel, you'll get a much more nuanced idea about what this book is about, and certainly, what this novel MIGHT be based upon. Regardless, it's a great, rollicking read. Whether or not it's entirely true, or entirely false, anyone with any knowledge of 90s punk in America will recognise large chunks of this. And anyone with any interest in, appreciation of, or experience of being in a band,

introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

"This is a fresh take on the American road story, filled with people and ideas we rarely get to see onstage...It offers two seriously rich roles for women, each with important things worth singing about...Miss You Like Hell is a powerful example of what musicals do best: explore the unprotected border where individual needs and social issues
