Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover, Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on the Devil herself...

For thousands of years, people believed the Earth was flat. Similarly, everything we believe about hell, the devil and karma is based on centuries of dogma, illogical beliefs and foolish theories. In this book, Samuel Aun Weor demonstrates how to confirm for yourself the reality of the inferior levels of life, and how to avoid them. Although modern culture laughs at the mere mention of the devil and hell while simultaneously indulging deeply in them via popular music, movies, and television, the practical reality remains completely unknown to the general public. Samuel Aun Weor discusses his personal, conscious experiences of the inferior worlds and the beings who reside there. By application of ancient techniques preserved by the Gnostic tradition, anyone can confirm with certainty what exists in the subtle dimensions of nature, whether above or below. Learn the true identity of both the Devil and Lucifer, and how to harness the forces of nature in order to be propelled towards a higher way of life. Dispels centuries of beliefs and theories, while explaining the essential truths hidden in ancient symbols Provides practical steps towards acquiring your own experience of the truth Supported by solid science and authentic spiritual traditions
