memorable writings by one of the greatest
journalists and storytellers of our time.

They take the reader from the backwoods roads of Georgia, to the high altitude of Ruidoso Downs in New Mexico; from the social decay of Atlantic City, to Scotland, where a pilgrimage for art's sake leads to a surprising encounter with history on a hilltop with a view of a fifth of the entire country. McPhee's writing is more than informative; these are stories, artful and full of character, that make compelling reading. They play with and against one another, so that *Pieces of the Frame* is distinguished as much by its unity as by its variety. Subjects familiar to McPhee's readers—sports, Scotland, conservation—are treated here with intimacy and a sense of the writer at work.

essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping

application. Whilst this book concentrates on the UCAS personal statement and UK university applications, the formula will be equally as effective when applying for most US and other international universities. Personal Statement Examples
The most unique aspect of this book is the way in which it presents real personal statement examples. The example personal statements presented here allowed the students that wrote them to achieve offers from some of the world's best universities, including Cambridge, UCL, and LSE. However, this does not simply present example statements, but it critically analyses them, showing exactly what each student did well, and what each student failed to do. Through the combination of personal statement structure and real student examples, we believe this book offers a quick and easy guide to personal statement writing. Personal Statement
