Yellow Star, Red Star asks why Holocaust memory continues to be so deeply troubled—ignored, appropriated, and obfuscated—throughout Eastern Europe, even though it was in those lands that most of the extermination

Where To Download Yellow Star

campaign occurred. As part of accession to the European Union, Jelena Subotić shows, East European states were required to adopt, participate in, and contribute to the established Western narrative of the Holocaust. This requirement created anxiety and resentment in post-

Where To Download Yellow Star

communist states: Holocaust memory replaced communist terror as the dominant narrative in Eastern Europe, focusing instead on predominantly Jewish suffering in World War II. Influencing the European Union's own memory politics and legislation in the process, post-communist states
